FORMERLY the square piano was generally used, notwithstanding it was always cumbersome and inconvenient, as compared with the more elegant upright piano.

A DOUBLE PURPOSE.—The popular remedy, Haggard's Yellow Oil, is used both internally and externally, for aches, pains, colds, croup, rheumatism, deafness, and diseases of an inflammatory nature.

The ENTERPRISE MEAT CHOPPER has been tested and endorsed by over one hundred Agricultural Journals. The Farm & Fireside says "After testing, each Editor immediately ordered an Enterprise Meat Chopper for his kitchen."

ADVICE TO MOTHERS.—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep.

ST. NICHOLAS FOR 1885. The Leading Magazine for Young Folks.

TOURISTS IN EUROPE. From "Personally Conducted," by Frank R. Stockton, in the November St. NICHOLAS.

A Michigan mother (and competent critic) writes to the Editor of St. NICHOLAS. "I am convinced that no child who is without St. NICHOLAS can successfully compete in the race of life with those who have had the benefit of its wonderful pages."

While these welcome instances serve to show the scope of St. NICHOLAS as a magazine for young folks, they do not indicate the thousand ways in which it delights, instructs, and truly helps the boys and girls who are familiar with its pages month by month.

"Can We Afford NOT to Take St. Nicholas?"

The magazine, during its eleven prosperous years, has grown familiar to hundreds of thousands of young readers; and their interest and intelligent enjoyment have constantly inspired the editor and publishers.

This list of some of the good things already secured will give an idea of the magnitude of the preparations for future numbers of St. NICHOLAS:
