### TESTIMONIALS.

MONTREAL, QUE., Nov. 15th, 1883.  
Thereby certify that I have analyzed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Company, and I find it composed, as represented, of *Refined Metallic Zinc*, of a very superior quality to sheet zinc, and almost *absolutely pure*. Its great durability under all exposure to weather and storm is therefore fully asserted by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and *indefinite durability*.

# Ruskin's Works \$600 reduced to \$18

## Illustrated LIBRARY EDITION.

An edition worthy of RUSKIN,—peerless as he is among living Masters of the English Tongue and of Universal Art,—and, also, by reason of its small cost, is within the reach of every cultured home.

We have paid \$600 in cash for one complete set of RUSKIN'S Works—some of them being very scarce, and the early editions containing the best impressions of the fine illustrations and many colored plates, being very highly valued by connoisseurs—in order that with the best modern resources of the printers and engravers we might reproduce an American edition thoroughly satisfactory to admirers of RUSKIN, and yet at a low price.

We count this publication as the most honorable—the grandest—achievement of *The Literary Revolution*, and rejoice greatly that we are able to offer this magnificent edition to the American people; and we glory not more in the author and the treasures he has given us, than in the fact that there is a great and growing American constituency that appreciates RUSKIN.

The edition we present will be complete in 15 vols., crown octavo. It will contain *ALL* the writings of RUSKIN which are of more than transient or local interest—will contain *ALL* that is included in any other American edition heretofore published, and *nearly 3,000 pages additional*. Numerous illustrations, including many fine colored plates, will be presented, far greater in number and much superior in quality to other American editions which have heretofore cost many times the price of this.

## Ruskin's Select Works.

Though all admirers of RUSKIN will, of course, desire his complete works, if it is possible to procure them; yet by reason of their magnitude and consequent comparatively high cost they may be temporarily out of the reach of some. To meet the wants of such cus-

tomers we shall publish an edition of his "Select Works" separately in eight volumes, for the net price of \$9.00 for the set. The "specimen volume" mentioned below will be included in this set. For further list of the contents see specimen pages.

## A SPECIMEN VOLUME.

The entire set of 15 volumes will be ready not later than August 1, 1885. It will be sold only in sets (and select works as below, at the price of \$18.00 with this exception: To make widely known the superb qualities of the work, we propose to offer, separately, *ONE SPECIMEN VOLUME* containing four of RUSKIN'S most popular works, namely:

- The Seven Lamps of Architecture.—Finely Illustrated.
- Lectures on Architecture and Painting.—Illustrated.
- The Queen of The Air.
- The Ethics of The Dust.

All of these are bound in one handsome crown octavo volume, fine cloth, beveled boards, gilt tops, uniform with the set. This volume is *NOW READY*. On condition that the order is received on or before June 1, 1885, we will sell this volume (only) at the reduced price of 85 cents—15 cents extra if ordered by mail. Purchasers of this volume will be allowed, of course, to complete their sets, but not at this reduced rate.

**Specimen PAGES FREE.** A copy of the April number of *The Book-Worm* (monthly 25 cents a year), which contains a specimen chapter from RUSKIN'S graphic pen, sent free on request.

**Fair Terms.** Books not under \$5.00 in value are sent to anyone for examination before payment on reasonable evidence of good faith. 158-page illustrated and descriptive Catalogue of our immense list of Standard Books sent for 4 cents. Mention this paper.
