THE BIRDS OF ONTARIO

BEING A CONCISE ACCOUNT OF EVERY SPECIES OF BIRD KNOWN TO HAVE BEEN FOUND IN ONTARIO, WITH A

DESCRIPTION OF THEIR NESTS AND EGGS

BY
THOMAS MCLWRAITH,
Member of the American Ornithologists' Union.

SECOND EDITION,

Enlarged and Revised to Date, with Illustrations by ERNEST E. THOMPSON and Others.

Cloth, 424 pages. - \$2 00.

To this new and revised edition of his excellent work on the birds of this Province, Mr. McLivraith has brought the full knowledge of a life study, the accuracy of the thorough scientist, and the taste and polish of a finished writer, while his pages glow with an enthusiasm the reader is sure to find infectious.

"For many years Mr. McLivraith has been the acknowledged and official head of Ornithology in Ontario, and his name attached to any work is sufficient guarantee of merit; for since the days of Gosse I believe there has been no Canadian naturalist who more happily combined accurate knowledge with a felicitous manner of expressing it. When Mr. McLivraith's first edition appeared it was practically out of print within a few months of its publication, and the number of enquiries during the last year or two show that a similar reception awaits this, for the work is undoubtedly the best extant on the birds of Ontario."—ERNEST E. THOMPSON, Naturalist to the Manitoba Government.
