THE LIFE OF
WILLIAM MORLEY PUNSHON, LL.D.

By Rev. F. W. MACDONALD,

Professor of Theology, Handsworth College, Birmingham,

Author of "Fletcher of Madeley," etc.

Mr. Macdonald's Life of Dr. Punshon has been eagerly looked for in Methodist Churches, and throughout the still wider circles to which the reputation of the eloquent preacher and lecturer extended. This biography has been written at the request of Dr. Punshon's family and executors, and the whole of his private papers have been placed in Mr. Macdonald's hands. Consequently it has not been anticipated by any memorials in sketches that have already appeared. The history of the five years which Dr. Punshon spent in Canada is furnished by his son-in-law, Professor Reynar, of Victoria College, Cobourg.
