

the business of the Gananoque Carriage Company, Gananoque, Ont., and the Brockville Carriage Company, Brockville.

The Gendron Manufacturing Company, Toronto, will enlarge their facilities by adding another story to their factory. This will give them 20,000 feet more floor space, their building being 200 x 100 feet. They will also put in about \$3,000 worth of new machinery.

The Toronto Portable Oven and Manufacturing Company are applying for incorporation, with a capital stock of \$10,000, to manufacture the Hubbard portable bakers' oven, the patent right of which the company will acquire. The first directors of the company will be Horace Thorne, Richard Thorne and James J. Warren.

Mr. J. D. FOLLER, founder, Brantford, Ont., will soon move into larger premises. He has bought the Stubbs' block in that city, and in the spring expects to add to the capacity of the buildings. His works will run it by electric power. The business will be conducted under the name of the Brant Brass and Iron Foundry.
