By Command of His Excellency the Governor-General.

P. ROBERTSON-ROSS, Colonel.  
Adjutant-General of Militia  
Canada

A shocking accident occurred at Frankfort on the Maine on the 1st inst. A building in which a large number of persons resided, fell burying the inmates in its ruins. Fourteen corpses have thus far been taken from the debris and search is being made for other victims of this sad disaster.

It appears probable that the indictment against Stokes will be quashed, on the ground of certain irregularities in empanelling the grand jury.

Revenge is sweet. A widow won \$90,000 from a German gambler at Baden-Baden, and a French General, whose hatred of Germany is undying, married the avenger of his country and the \$90,000.
