

**THE

Has been in the market barely a month and already its merits are appreciated beyond our most sanguine expectations.

ORDERS.

Are coming in freely from all parts of the country.

ANOTHER MONTHS SALES

Such as the last and it will tax our proofing staff to the utmost to fill the orders. We are now proofing Tweeds suitable for Men's Suits and Ladies' Ulsters and Jackets which we are offering in the piece, samples of which are now being shown on the road by our travellers, on special trips with RIGBY Goods.

Remember that we claim RIGBY proofed materials to be waterproof, which can be satisfactorily tested by any one before purchasing.

Ladies and Gentlemen will appreciate the comfort of having a nice Tweed Overcoat or Ulster as an ordinary wear, thoroughly Porous and yet a sure protection during a rain-storm.

It was very Rank.

Yes, it was rank and it an importation too. We are afflicted with many rank importations and nowhere is it more noticeable than in the cigars we smoke. Many of us have already learned that Tasse, Wood & Co., manufacture a better cigar than any imported, and selling at \$150 per thousand wholesale. The "Rosebud" you know—fifteen cents, or two for a quarter—is the brand. Compare it with the imported article and you will like it much better.
