

LOOK OUT! IT'S RISKY

You can't fool very much with the produce business—its hard enough for an expert. But to consign produce to people who have nothing to recommend them excepting "nerve" pure and simple, is taking bigger chances than any level headed business man is justified in doing. If there's an extra cent per pound to be made on your Butter, the firm of experience and complete organization can make it or you, and not the irresponsible amateur. We are paying TOP PRICES for Live and Dressed Hogs.
