A BEAUTIFUL THOUGHT.

CHISEL in hand stood a sculptor boy,
With his marble block before him,
And his face lit up, with a smile of joy,
As an angel dream passed o'er him
He carved the dream on that shapeless stone,
With many a sharp incision,
With heaven's own light the sculptor shone,
He had caught that angel vision.

Sculptors of life are we, as we stand
With our soul uncarved, before us;
Waiting the hour, when at God's command,
Our life-dream passes o'er us.
If we carve it then on the yielding stone,
With many a sharp incision,
Its heavenly beauty shall be our own,
Our lives that angel vision.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT. A MOST MIRACULOUS CURE OF BAD LEGS AFTER 43 YEARS SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 Saint Mary's Street, Weymouth, dated May 1st, 1851.
To Professor Holloway.

SIR.—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed.—Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment, and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and strange to relate, is now in good health. Her legs are painless without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so great an alleviating the sufferings of a fellow creature.

(Signed)

WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG OF 30 YEARS STANDING.

Copy of a Letter from Mr. Wm. A. Builder of Gas Ovens of Ruschfic, near Huddersfield, dated May 31st, 1851.
To Professor Holloway.

SIR.—I suffered for a period of 30 years from a bad leg the results of two or three different accidents at Gas Works, accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time that few who had not witnessed it would credit the fact.

(Signed)

WILLIAM ABBES.

The truth of this statement can be verified by W. P. England, Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAK CURED IN ONE MONTH
Extract of a Letter from Mr. Frederick Turner, of Penulvers Kent, dated December 13th, 1850.
To Professor Holloway.

DEAR SIR.—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed)

FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15th, 1850.
To Professor Holloway.

SIR.—I was afflicted with a swelling on each side of my leg, rather above the knee, for nearly two years which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint.

JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnot, of Breabon, Latham Road, Edinburgh, dated April 29th, 1851.
To Professor Holloway.

SIR.—For more than twenty years my wife has been subject from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed)

FRANCIS ARNOT.
