## WHEELER'S TISSUE PHOSPHATES

**WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA.** A Nerve Food and Nutritive Tonic for the treatment of Consumption, Bronchitis, Scrofula, and all forms of Nervous Debility. This elegant preparation combines in an agreeable Aromatic Cordial, *acceptable to the most irritable conditions of the stomach:* Cone-Calcium, Phosphate  $\text{Ca}_3\text{2PO}_4$ , Sodium Phosphate  $\text{Na}_2\text{HPO}_4$ , Ferrous Phosphate  $\text{Fe}_2\text{2PO}_4$ , Trihydrogen Phosphate  $\text{H}_3\text{PO}_4$ , and the active Principals of Calisaya and Wild Cherry.

The special indication of this combination is Phosphate in Spinal Affections, Caries, Necrosis, Ununited Fractures, Marasmus, Poorly Developed Children, Retarded Dentition, Alcohol, Opium, Tobacco Habits Gestation and Lactation to promote Development, etc., and as a *physiological restorative* in Sexual Debility, and all used-up conditions of the Nervous system should receive the careful attention of the rapaputists

**NOTABLE PROPERTIES.**—As reliable in Dyspepsia as Quinine in Ague. Secures the largest percentage of benefit in Consumption and all Wasting Diseases, *by determining the perfect digestion and as simulation of food.* When using it, Cod Liver Oil may be taken without repugnance. It renders success possible in treating chronic diseases of Women and Children, who take it with pleasure for prolonged periods, a factor essential to good-will of the patient. Being a Tissue Constructive, it is the best general utility compound for Tonic Restorative-purposes we have, no mischievous effects resulting from exhibiting it in any possible morbid condition of the system.

Phosphates being a NATURAL FOOD PRODUCT no substitute can do their work.

**DOSE.**—For an adult, one table-spoonful three times a day, after eating; from 7 to 12 years of age, one dessert-spoonful; from 2 to 7, one teaspoonful. For infants, from five to twenty drops, according to age.

Prepared at the Chemical Laboratory of T. B. WHEELER, M. D., Montreal, P. Q.

To prevent substitution, put up in bottles only, and sold by all Druggists at ONE DOLLAR.

## BELLEVUE HOSPITAL MEDICAL COLLEGE, City of New York.

### SESSIONS OF 1897-98.

The Regular Session begins on Monday, September 27, 1897, and continues for thirty-two weeks. Attendance on four regular courses of lectures is required for graduation. Students who have attended one full regular course of lecture; at another accredited Medical College are admitted as second-year students without examination. Students are admitted to advanced standing for the second, third or fourth years, either on approved credentials from other accredited Medical Colleges or after examination on the subjects embraced in the curriculum of this College.

Graduates of other accredited Medical Colleges are admitted as fourth-year students, but must pass examinations in normal and pathological histology and pathological anatomy.

The annual circular for 1897-8, giving full details of the curriculum for the four years, requirements or graduation and other information, will be published in July, 1897. Address Austin Flint, Secretary, Bellevue Hospital Medical College, foot of East 26th Street, New York City.
