The COUNTRY GENTLEMAN is the leading journal of American Agriculture. In amount and practical value of Contents, in extent and ability of Correspondence, in quality of paper and style of publication, it occupies the FIRST RANK. It is believed to have no superior in either of the three chief divisions of Farm Crops and Processes, Horticulture and Fruit-Growing, Live Stock and Dairymg; while it also includes all minor departments of rural interest, such as the Poultry Yard, Entomology, Bee-Keeping, Greenhouse and Grapery, Veterinary Hopples, Farm Questions and Answers, Fireside Reading, Domestic Economy and a summary of the News of the Week. Its Market Reports are unusually complete, and such attention is paid to the Prospects of the Crops, as throwing light upon one of the most important of all questions—When to Demand When to Sell. It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of the term, a Live Agricultural Newspaper.

Although the COUNTRY GENTLEMAN has been greatly enlarged by increasing its size from 16 to 32 pages weekly, the terms continue as heretofore when paid strictly in advance One copy one year, \$2.50; four copies, \$10, and a ditto copy for the year free to the sender of the club (ten copies, \$30, and an additional copy for the year free to the sender of the club.
