**Samson Brand Magnet Brand**  
MADE AT SHALLOW LAKE, ONTARIO

Our celebrated SAMSON BRAND has been before the public for many years, and has made hosts of friends among Contractors and Municipal Corporations until it has become one of the leading Cements on the market today, being excelled by none. This year we have decided to place the MAGNET on the market, and respectfully ask consumers to give it a trial. I will, we think, do its own advertising.

Correspondence invited. . . . .

Stackpole Patent Improved **Street Sweeping Machine** Is the Standard of Perfection.

Because no sweeper so effectually does the work for which it is designed as "The Studebaker."  
It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical precision.  
It Wears Well. "The Studebaker" has the smallest possible number of working parts, and has less gearing than any other sweeper made. It is free from unnecessary complications. With reasonable care it will not get out of order. Send for complete descriptive catalogue.
