Break The Bonds.

Can you break away from coffee? It probably is the cause of your dyspepsia, weak heart, kidney trouble, sour stomach, an inactive brain and nervous prostration. You can easily break the bands that hold you to coffee by using Postum Food Coffee, for it requires no effort to slip off coffee drinking for well-made Postum, and the change in health is miraculous in many cases. Postum is a food drink, rich in flavor, with none of the injurious effects of coffee. All grocers.
