The Royal Military College

THERE are few national institutions of more value and interest to the country than the
 Royal Military College of Canada. Notwithstanding this, its object and work it is
 accomplishing are not sufficiently understood by the general public.

The College is a Government institution, designed primarily for the purpose of giving
 instruction in all branches of military science to cadets and officers of the Canadian Militia.
 In fact it corresponds to Woolwich and Sandhurst.

The Commandant and military instructors are all officers on the active list of the Imperial
 Army, lent for the purpose, and there is in addition a complete staff of professors for the civil
 subjects which form such an important part of the College course. Medical attendance is
 also provided.

Whilst the College is organized on a strictly military basis, the Cadets receive a prac-
 tical and scientific training in subjects essential to a sound modern education.

The course includes a thorough grounding in Mathematics, Civil Engineering, Surveying,
 Physics, Chemistry, French and English.

The strict discipline maintained at the College is one of the most valuable features of
 the course, and, in addition, the constant practice of gymnastics, drill and outdoor exercises
 of all kinds, ensures health and excellent physical condition.

Commissions in all branches of the Imperial service and Canadian Permanent Force are
 offered annually.

The diploma of graduation is considered by the authorities conducting the examination
 for Dominion Land Surveyor to be equivalent to a university degree, and by the Regulation
 of the Law Society of Ontario, it obtains the same exemptions as a B.A. degree.

The length of the course is three years, in three terms of 9½ months each.
 The total cost of the course, including board, uniform, instructional material, and all
 extras, is about \$800.

The annual competitive examination for admission to the College takes place in May of
 each year at the headquarters of the several military districts.

For full particulars regarding this examination and for any other information, applica-
 tion should be made to the Secretary of the Militia Council, Ottawa, Ont., or to the Com-
 mandant, Royal Military College, Kingston, Ont.
