Un amie.

Les membres du Barreau de Quebec sont très mécontents de voir que MM. Taschereau, Fortier et Réal Barthe n'ayant pas été nommés "Conseil de la Reine;" c'est certainement une insulte à faire au barreau, une pareille omission, car sans contredits MM. Fortier et Barthe se sont acquis une grande réputation dans le barreau par leurs grandes capacités et leurs talents oratoires.

Un membre indigné.

NEW STANDARD ATLAS OF THE DOMINION OF CANADA.

This Atlas which has just been published by Messrs. Walker & Miles, of Toronto, has made its appearance. Hitherto we have had no Dominion Atlas worthy of the name. The one issued is as complete as a work can be, the maps being drawn from the best official sources, Canada now has an atlas of which its people may be proud. We venture to say, no more careful and comprehensive treatise on any country is to be found, than the letterpress attached to the maps.

It is not too much to say, that the new atlas is the finest publication of the kind yet issued in Canada; and it is to be hoped that the publishers will receive very hearty support from all classes, as to all classes the work is sure to prove useful.
