

PARAGRAPHIC.

JOSH BILLINGS SAYS:

Next to a clear conscience for solid comfort comes an old shoe. One trouble exists in the fact the old shoes wear out, and another that they cannot always be worn. Undoubtedly Josh must be a sufferer from corns, and has not yet heard of the great and only sure cure, Putnam's Painless Corn Extractor. This great remedy never fails to remove the worst corns—soft or hard—in a few days. No discomfort, no sore spots, but prompt and certain cure. Beware of flesh-eating and sore producing substitutes. Use Putnam's only. N. C. Polson & Co., Kingston, proprietors.

FOR WOMEN AND CHILDREN.

Dr. Jos. Holt, New Orleans, La., says: "I have frequently found it of excellent service in cases of debility, loss of appetite, and in convalescence from exhaustive illness, and particularly of service in treatment of woman and children."

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites.—Is very palatable and agrees with the Stomach.—Dr. J. Wobring, of Newark, Ohio, says: "I have used Scott's Emulsion in comparison with the plain oil and acid emulsions and find it to agree much better with the stomach, and give better results in the diseases in which Cod Liver Oil is useful."

Consumption Cured.

An old physician having had placed in his hands by a returned Medical Missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Catarrh, Asthma, Bronchitis, etc., after having tested its wonderful curative powers in hundreds of cases, desires to make it known to such as may need it. A STANDARD article, universally recommended, is JAMES PYLE'S PEARLINE, which is claimed to be the best thing ever invented for making washing easy, in hard or soft water, without harm to fabric or hands. No soap is required and the work is done thoroughly without it. The genuine is sold by all grocers, and purchasers should beware of imitation.

Puttner's Emulsion.

CONSTITUTIONAL CATARRH CURED.

I have had occasion during the past two years to use, in my family, the medicine generally known as "PUTTNER'S EMULSION OF COD LIVER OIL, &c."

Our baby up to the age of four months was so ill and emaciated with constitutional catarrh, as to give no hopes of her recovery, at which time we began to administer the Emulsion, and continued with small doses for a year. She is now two years old, quite active and vigorous, talks and runs, has cut most of her teeth, had the measles, and is cured of Catarrh.

Other members, old and young, of the family, have taken the medicine for different diseases, and it has done good in every instance.

I consider it effective for the cure of coughs, general debility, and any disease that can be cured by building up the system.

I have freely recommended its use; and its beneficial effects have been reported to me by many of my acquaintances who have been induced to give it a trial.

I consider it as far in advance of pure Cod Liver Oil, as the "Oil" years ago was in advance of the old method of treating Consumption. Yours truly,

J. PARSONS,  
Attorney and Barrister.
