TO ADVERTISERS.

Geo. P. Rowell & Co's SELECT LIST OF LOCAL NEWSPAPERS.

An advertiser who spends upwards of \$5,000 a year, and who invested less than \$300 of it in this List, writes: "Your Select Local List paid me better last year THAN ALL THE OTHER ADVERTISING I DID."

IT IS NOT A CO-OPERATIVE LIST. IT IS NOT A CHEAP LIST. IT IS AN HONEST LIST.

The catalogue states exactly what the papers are. When the name of a paper is printed in FULL FACE TYPE it is in every instance the BEST. When printed in CAPITALS it is the ONLY paper in the place. The list gives the population of every town and the circulation of every paper.

The rates charged for advertising are barely one-fifth the publishers' schedule. The price for single States ranges from \$3 to \$80. The price for one inch one month in the entire list is \$25. The regular rates of the papers for the same space and time are \$2,080.14. The list includes 932 newspapers of which 187 are issued DAILY and 793 WEEKLY. They are located in 788 different cities and towns, of which 89 are State Capitals, 303 places of over 5,000 population, and 468 Country Seats. For copy of List and other information address
