### THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the *German Reformed Messenger*, at Chambersburg, Penn.:—

#### A BONDFAITHFUL.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our "Boys" to say, "A Blessing on Mrs. Winslow," for helping her to survive and escape the gripings, colic, and teething sieges. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your "Cordial," "Paregoric," "Drops," "Laudanum," and every other "Narcotic," by which the babe is dragged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her "Soothing Syrup for Children Teething." If we had the power, we would make her, as she is, a physical saviour to the infant race. 25 cents a bottle. Sold by all Druggists.

**ENDURING POPULARITY.**—If ever a luxury possessed the elements of enduring popularity, that luxury is MURRAY & LANMAN'S FLORIDA WATER. Its freshness, its purity, its delicacy, its unchangeableness, its wholesomeness, and its disinfectant properties in the sick-room, place it far in advance of every other perfume of the day. No other toilet water is like it; nothing can supply its place; no one who uses it can be persuaded to use any other perfume. Hence the amazing rapidity with which the sales increase. It is so far superior to all other perfumes of this hemisphere that it may be said to have no second; it stands alone, and after being thirty years before the people, is now making more rapid progress than ever before.

Parabases are requested to see that the words "Florida Water, Murray & Lanman, No. 39 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. Agents for Montreal: Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gouiden, R. S. Latham, and all Dealers in Medicine.

**THE RESPONSIBLE ORGAN.**—The stomach is responsible for more evils than were contained in Pandora's Box. Atonic, dyspepsia, or simple indigestion is the first indication, of more than half the diseases enumerated in medical books. Meet it at once with BRISTOL'S SARSAPARILLA, the most genial tonic and corrective which the botanic kingdom has yet yielded to chemical science. Invigorate the stomach and gently stimulate its gastric action with this famous restorative. Remember that the digestive apparatus is the primary source of vitality from which the whole body draws its supplies, and that BRISTOL'S SARSAPARILLA is a specific for the disorders that affect it. In all diseases affecting the liver, stomach, or bowels, BRISTOL'S VEGETABLE PILLS should be used at same time with Sarsaparilla.

Agents for Montreal, Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., Gardner, J. A. Harte, R. S. Latham & Co., Gouiden, R. S. Latham and all Dealers in Medicine.

**TO RATIONAL INVALIDS.**—A few plain, earnest words, with such of you as suffer from Indigestion, and its usual accompaniment, Habitual Constipation. You want relief without prostration, a rapid cure, is tendered to you in BRISTOL'S SUGAR-COATED PILLS, the only cathartic and alternative in existence which reopens the obstructed passages of the bowels without a qualm or a pang, and restores to the stomach and liver the vigor stolen from them by disease. This genial aperient never endorses any organ, or reduces the general strength. On the contrary, it continually renews the natural health of the digestive and secretory functions. Rarely will it be necessary to call in a physician, where this safe and all-sufficient family medicine is kept in the house.

The pills contain seven doses each, and the pills have this great advantage over all ordinary purgatives—time does not impair their properties. In all cases arising from or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

**THE POPE'S HEALTH RESTORED BY DU BARRY'S FOOD.**—Care No. 68,313.—Rome, July 21st, 1866.—The health of the Holy Father is excellent, especially since abandoning all other remedies he has confined himself entirely to Du Barry's Revalenta Arabica Food, which has produced a surprisingly beneficial effect on his health, and his Holiness cannot praise this excellent food too highly. —From the *Gazette du Midi*, July 25th.

**DU BARRY'S** delicious, health-restoring REVALENTA ARABICA FOOD restores good appetite, perfect digestion, strong nerves, sound lungs and refreshing sleep, functional regularity and energy on the most enfeebled or disordered, without medicine, inconvenience, or expense, as it saves fifty times its cost in other medicines, curing dyspepsia (indigestion) constipation, flatulency, phlegm, debility, consumption, nervous, bilious, liver and stomach complaints, and all ailments, as proved by 60,000 cases which had been considered hopeless.—In tin.

**SUPERSTITION AT FAULT.**—A respectable tradesman invited twelve friends to dine with him. Some of them objected to sit down together at table, as the whole company numbered thirteen. The host allayed their apprehension by telling them that they were only a dozen. He was a baker.

We know of a beautiful girl, who would prove a capital speculation for a fortune-hunter of the right sort. Her voice is of silver, her hair of gold, her teeth of pearl, her cheeks of rubies, and her eyes of diamonds.

'Your house is on fire,' said a stranger rushing into the parlour of a sober citizen. 'Well, sir,' was the answer of the latter, 'to what cause am I indebted for the extraordinary interest which you take in the affairs of my house?'

### THE ROMAN CATHOLIC BISHOP'S SCHOOL, MONTREAL.

THIS School is under the direction of the Gentlemen of the R. C. Bishop's Palace.

The Course of Study is exclusively commercial.

Although the French and English languages are nearly on the same footing, Mathematics, Book-keeping, Forms of notes, Letters, Receipts, &c., are taught only in English.

Pupils may be admitted even at the age of six; the juniors have a special rule to follow; their teacher is a clergyman, and they receive, simultaneously with elementary education, the special religious cares required by their age.

Pupils from other educational institutions must furnish certificates of good conduct from the Directors of the same.

The course embraces three years for those who can read French and English and write when admitted; a fourth year is required for special studies.

Parents receive, at least every two months, a report of the conduct, application and success of their children.

All pupils above eight years old must attend the religious exercises in the Cathedral, on Sundays and Holidays.

Immorality, insubordination, habitual laziness and frequent non-attendance without just cause, render pupils subject to expulsion. Parents must make known the cause of the non-attendance of their children.

**AGUA DE MAGNOLIA.**—The prettiest thing, the "sweetest thing," and the most of it for the least money. It overcomes the odor of perspiration; softens and adds delicacy to the skin; it is a delightful perfume; allays headache and inflammation, and is a necessary companion in the sick room, in the nursery and upon the toilet sideboard. It can be obtained everywhere at one dollar per bottle. SARATOGA SPRING WATER, sold by all Druggists.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disturbing the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are dear to Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. . . . The Mexican Mustang Liniment relieved the pain almost immediately. It healed rapidly, and left very little scar."

This is merely a sample of what the Mustang Liniment will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, spavins, etc., either upon man or beast.

Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signatures of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co., New York.

All who value a beautiful head of hair, and its preservation from premature baldness and turning gray, will not fail to use Lyons celebrated KATHIRON. It makes the hair rich, soft and glossy, eradicates dandruff, and causes the hair to grow with luxurious beauty. It is sold everywhere.

**WHAT DID IT!**—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagar's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents.

Heimstreet's Inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Heimstreet's is not a dye, but is certain in its results; promotes its growth, and is a beautiful Hair Dressing. Price 50 cents and \$1. Sold by all Dealers.

SARATOGA SPRING WATER, sold by all Druggists.

LYON'S EXTRACT OF PURE JAMAICA GINGER—for Indigestion, Nausea, Heartburn, Sick Headache, Cholera Morbus, &c., where a warming is required. Its careful preparation and entire purity makes it a cheap and reliable article for ordinary purposes. Sold everywhere at 50 cents per bottle.
