Vice-President—E. A. MEREDITH, LL.D.  
Manager—J. W. LANGMUIR.

The Company acts as Executor, Administrator and Guardian, and receives and executes Trusts of every description. These various positions and duties are assumed by the Company, either under Deeds of Trust, Marriage, or other settlement executed during the life-time of the parties, or under Wills, or by appointment of the Court.

The Company also undertakes the investment of money in real estate mortgage securities; collecting and remitting the interest for a moderate charge. It will either invest the money as agent in the usual way; or should the investor prefer, it will for an extra charge, guarantee the principal and the prompt payment of the interest on fixed days, yearly, or half-yearly. Mortgages thus guaranteed and taken in the name of the investor, are the safest class of investments, and specially commend themselves to Trustees, as well as to Municipal Corporations and Public Companies desirous of establishing Sinking Funds.

The Company also acts as agent for the collection of interest or income, and transacts financial business generally, at the lowest rates.

International & Colonial Exhibitions.  
ANTWERP IN 1885—LONDON IN 1886.

It is the intention to have a Canadian representation at the International Exhibition at Antwerp, commencing in May, 1885, and also at the Colonial and Indian Exhibition in London in 1886.

The Government will defray the cost of freight in conveying Canadian exhibits to Antwerp, and from Antwerp to London, and also of returning them to Canada in the event of their not being sold.

All exhibits for Antwerp should be ready for shipment not later than the first week in March next. These exhibitions, it is believed, will afford favorable opportunity for making known the natural capabilities, and manufacturing and industrial progress of the Dominion.

Circulars and forms containing more particular information may be obtained by letter (post free) addressed to the Department of Agriculture, Ottawa.
