The Maximum of Security

Real Estate Mortgages afford investors the Maximum of security. More than twenty-eight million dollars of this Corporation's investments are in first mortgages on carefully selected improved real estate securities. It is in these that the funds entrusted to our care by our Debenture-holders are invested, thus assuring

Safety of Principal and Certainty of Interest.

That the conservative investor of small means may be afforded the advantages of this most desirable security, we issue our debentures in sums of one hundred dollars and upwards. Don't wait till you have accumulated more money. If you have a hundred dollars to invest write us for particulars.
