DEPARTMENT OF NAVAL SERVICE
Royal Naval College of Canada.

The Royal Naval College is established for the purpose of imparting a complete education in Naval Science.

Graduates are qualified to enter the Imperial or Canadian Services as midshipmen. A Naval career is not compulsory however. For those who do not wish to enter the Navy the course provides a thorough grounding in Applied Science and is accepted as qualifying for entry as second year students in Canadian Universities.

The scheme of education aims at developing discipline with ability to obey and take charge, a high sense of honour, both physical and mental, a good grounding in Science, Engineering, Mathematics, Navigation, History and Modern Languages, as a basis for general development of further specialization.

Particulars of entry may be obtained on application to the Department of the Naval Service, Ottawa.

Pending erection of buildings to replace those destroyed at the time of the Halifax disaster the Royal Naval College is located at Esquimalt near Victoria, B.C.

G. J. DESBARATS, Deputy Minister of the Naval Service.
