Training courses for teachers desirous of qualifying as licensed Manual Training instructors will be held at the Provincial Normal School during the session of 1905-6 as follows:

*Short course.*—September 18 to December 22, 1905.  
*Full course.*—January 8 to June 29, 1906.

The short course is intended to qualify teachers for the license to teach Manual Training in rural schools. Candidates for admission must hold at least a second class Provincial license, and be prepared to furnish evidence of their teaching ability.

In each course, students showing little aptitude for the work will be advised to discontinue at the end of one month from the date of entrance.

Tuition is free, and the usual travelling allowance made to Normal students will be given to teachers who complete their course and proceed to the teaching of the subject in the Public Schools of the Province.
