LAND, POVERTY, ENVIRONMENT AND WAR

Fundamental political questions in Central America are also key environmental issues.

BY GREGORY WIRICK

- Roger Hill**
A common market with the US for defence products could erode Canadian independence.
- CIIPS Roundtable**
Pondering the federal government's cuts in foreign and defence spending.
- Julie Morin**
Five North African countries take a tentative step towards political and economic union.
- Ted Hopf**
A cool response to Gorbachev's foreign policy will leave the West standing at the dock.
- Clyde Sanger**
J. King Gordon 1900-1989
An appreciation
Leonard Zamor
Letter from China
