 - (b) there shall be an invitation to tender and the contract shall be awarded to the lowest bidder;
 - (c) the terms and conditions of payment and other contract clauses shall be approved beforehand by Canada;
 - (d) Canadian suppliers shall be paid directly by Canada.
- III Canada shall provide Burkina in advance with a list of members of the Canadian personnel engaged in the execution of the projects approved under subsidiary arrangements and who are entitled to the rights and privileges set forth in this Agreement.
