

institutional linkages. It also recommends increased coordination and availability of financing instruments and services to Canadian business .

Ultimately, Canada's success will depend on our ability to gain greater access to the Indian market and the commitment of all players, including the private-sector. The Focus India strategy and subsequent updates encourage the pooling of resources, identify opportunities and help promote Canadian interests in India. This strategy will enable the Canadian private sector to Capitalize on the opportunities in the Indian market while contributing to its economic prosperity and sustainable development.
