*The Conference of the Parties,*

*Taking note* of the conclusions of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation at their eleventh sessions on the issues addressed in the comprehensive review of the pilot phase of activities implemented jointly, as well as of the third synthesis report on activities implemented jointly,<sup>1</sup>

*Noting* that activities implemented jointly under the pilot phase have made some contribution to meeting the ultimate objective of the United Nations Framework Convention on Climate Change,

*Noting* that, by virtue of decision 5/CP.1, activities implemented jointly under the pilot phase are undertaken within the framework of the Convention,

*Acknowledging* the importance of learning-by-doing through activities implemented jointly under the pilot phase and of providing new opportunities for activities implemented jointly to those Parties that have not yet had experience with projects under the pilot phase,

1. *Decides* to conclude the review process and, without prejudice to future decisions, to continue the pilot phase of activities implemented jointly beyond the end of the present decade; during the continuation of the pilot phase the issue of geographical imbalance, in particular the lack of projects in Africa and small island developing States, should be addressed;
2. *Invites* Parties to provide proposals for the improvement of the draft revised uniform reporting format<sup>2</sup> by 31 March 2000;
3. *Requests* the secretariat to prepare a further draft revision of the uniform reporting format and a set of guidelines for its use, for consideration by the subsidiary bodies at their thirteenth sessions;
