

- immigration and customs functions on UNPA boundaries that run along state borders
- deployment in Bosnia-Herzegovina (BiH) for escort of humanitarian aid convoys
- monitoring of demilitarization of the Prevlaka peninsula
- deployment of observers at airfields
- monitoring of the "no fly zone" over BiH, control of Peruca Dam,
- preventive deployment in Macedonia.

I need hardly mention that I never came close to having the resources for the execution of all these tasks even till I left the Mission on 02 March 1993.
