

ARTICLE X

Subject to their legislation and regulations in force, the Parties shall:

- (a) facilitate the entry into and temporary residence in their respective territories of the creative and technical personnel and the performers engaged by the co-producer of the other country for the purpose of the co-production; and
- (b) similarly permit the temporary entry and re-export of any equipment necessary for the purpose of the co-production.

ARTICLE XI

The sharing of revenues by the co-producers should, in principle, be proportional to their respective contributions to the production financing and be subject to approval by the competent authorities of both countries.

ARTICLE XII

Approval of a co-production proposal by the competent authorities of both countries does not constitute a commitment to either or both of the co-producers that governmental authorities will grant a licence to show the co-production.

ARTICLE XIII

Where a co-production is exported to a country that has quota regulations:

- (a) it shall in principle be included in the quota of the country of the majority co-producer;
- (b) it shall be included in the quota of the country that has the best opportunity of arranging for its export, if the respective contributions of the co-producers are equal;
- (c) if any difficulties arise with clause (a) and (b), it shall be included in the quota of the country that carries the most favourable arrangement for its export.
