THIS Company is organized for the express purpose of insuring Farm Property and Private Residences, and it is the determination of its Directors to confine its operations strictly to this class of business, thus avoiding heavy losses from sweeping fires and hazardous risks.

An arrangement has been completed by which this Company has the benefit of the renewals and business here of the "Agricultural of Watertown," which at once places the Company in possession of a large and profitable business.

The Stockholders, at the general meeting, held at the Company's Office, March 12th, 1874, having decided to increase the capital stock to \$1,000,000, the Stock books will be open at the office of the Company for the next sixty days (unless sooner closed by the Executive Committee) for the subscription of the increase of Capital Stock. Capitalists and others desiring a safe and remunerative investment are respectfully invited to call at the Company's Office and enquire into the advantages offered.

Farmers and others will consult their own interests by insuring in this Company. For further information, please to address the Secretary.
