The occasion was also marked by the running of the Woodbridge extension of the Weston radial car line, a temporary track having been laid thru the subway at the west end of Weston.

Huge Crowd.

The big day of the fair yesterday attracted perhaps the largest crowd on record. The special trains from Toronto were crowded to overflowing, and on the return journey people were standing in the aisles. The transportation facilities were considered altogether inadequate for such an occasion, even altho this year the new radial line by way of Weston carried its quota of passengers.

The president, A. W. Farr, the secretary, C. L. Wallace, and the officials and directors have every reason to be satisfied with the gate receipts and the success of the fair generally, the entries in all classes of live stock being the greatest received in any year of the fair.

Booth were appointed as a deputation to ask Superintendent Ross for a rural mail delivery, and to ask the township council to num-ber the houses and change the names of Brampton.

R. Mashinter of Malton was awarded first for his agricultural spring colt, and first for his year-old draught horse.

Cattle Classes.

In the cattle classes there was an excellent display of Holsteins, Jerseys and Shorthorns, an especially good selection of Holsteins being exhibited by Watson Bros. of Pine Grove, who took first prize for their grand champion bull, Homestead Colantha. Prince Canary, weighing some 1500 lbs. This bull took first prize in the National Dairy Show last November, and again in this year's Canadian National Exhibition.
