new parish house of St. John's Church. The building will cost over \$18,000 instead of \$15,000 as at first thought. Work will be commenced as soon as possible on the building, which is to be built on the eastern side of the

Mr. and Mrs. Thomas Davis of Brampton announce the marriage of their youngest daughter at West Toronto, July 10, to Mr. Lawrence Elmer Speer of West Toronto. The ceremon was performed by Rev. Dr. J. C. Speer, pastor of High Park-avenue Methodist Church, and father of the groom. The bride was unattended and the party took the late train to the Cawartha at such a low price. Now is Lakes, where they will spend their honeymoon at thte summer home of Dr. and Mrs. Speer, at Chemong Park. This morning about 9.30 a Dundas-street car, No. 1222, while backing around the Y at thte intersection Keele and Dundas-streets, collided with order this season. This a wagon driven and owned by Norman Clarkson of Summerville P. O. For-tunately no one was injured, but the rear axle of the wagon was broken

a pole had caught fire from a live elecwalk around it. About noon they were called again to Ellen-avenue, where a shed was burning, the origin of the fire being unknown. The damage, however, in both cases, was comparatively

EAST TORONTO. Well-Known East End Lady Passed Away Yesterday.

Two or three other speakers touched briefly on the points under dispute, but the crowd were just aching to endorse some resolution favoring annexation. Mr. Ball moved and "Tommy" Armstrong seconded the following:

"That this meeting of the ratepayers heartly endorses the efforts of the town council in its attempt to carry town as the Pilgrim Fathers. The immediate members of her family, in admediate members of her family, in admediate members of her family, in admediate members of her husband, S. K. Brown Audience and Good Speaking.

NORTH TORONTO, July 11.—(Special)—If the board of control and the city council are disposed to doubt the finality or conclusiveness of the annexation vote of the Town of North Toronto at the last January municipal elections, they would have been disposured of the mass meeting, called by Mayor Brown. The gathering called by Mayor Brown. The gathering called by Mayor Brown. The measure was turned into a veritable triumph for the friends of annexation. The crowd for this time of the year.

"Who seconds Mr. EMis' amendment," said the mayor and there was a mognity good one, and composed of representative business men and citizens all the way from Davisville to Bedford Park, and the meeting thruout was interesting and withal good.

"Now for a show of hands," said this attempt to carry out the bylaw for amnexation to the city and that our representatives are hereby requested to make such further the union of the Pitters of her ancestry, who arrived in the bylaw for amnexation to the city and that our representatives are hereby requested to make such further the union of the two makes such further the larged of Toronto."

Exerybody, the chait effect the union of the town with the City of Toronto."

Exerybody, the date the union of the two saids the mayor was just preparing to submit the motion when the lard of Bedford Park, introduced an amendment."

Toronto at the last January municipal to get the mayor and there was an annexation. The council favoring annexation on the part of council favoring annexation on the part of council favoring annexation on the part of council favoring annexation. The council favoring annexation on the part of council favoring annexation on the part of council favoring annexation on the part of council favoring annexation. The council favoring annexation on the part of the year.

"Who seconds Mr. EMis' amendment." said the mayor and there was a mognitive part of the Society of Friends, and took a deep interest in its philatory to the tient of the council favoring

ion between the two municipalities was sticking out all over the document. Singularly enough not one of the petitioners were present in the hall at the hour appointed, tho a few of them drifted in later in the evening.

His worship, in a brief, comprehensive speech, outlined the action of the council with respect to the vote of the recent their factors and factors of the recent Dominion Day horse parade was the greeces' class, in which more than the ordinary care and good taste was displayed by the exhibitors. Mr. and Mrs. Darius Clendenning.

the by an overwhelming vote of the people at the last elections. The councillation who were playing around, and the have a mandate from the people to whom a touch of the pole might to go ahead. He charged that as part to the city they would be in a stronger. The plans have been drawn up and position to combat the will be materially improved; and the position to combat the wiles of the contracts let for the building of the will be materially improved; and the parched and shriveled up, will ulti-mately respond to the copious downfall, with the result that horses and cattle will again be enabled to live without resort to ensilage and a grain diet. But it will take some little time. The after effects of a scorching like that of the past week is not overcome a week, and it will be many a day efore the pastures will be up to their

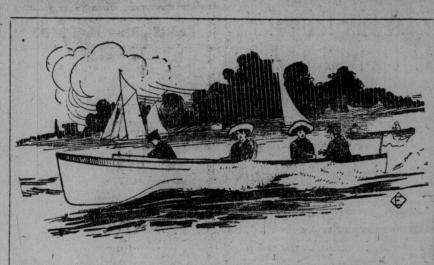

> Indications of the great pasture shortage are found in the action of the executive of the Toronto Milk Proa general advance of 15 cents a can for milk and three cents per pound for butter fat was decided upon. That is to say, the farmers will ask for the 15 cents advance from the dealers, which the latter are bound to concede, and the price will unquestincably bo raised to the citizens. When it is considered that it takes the milk of four sidered that it takes the milk of fou average cows these days to fill a can the increase does not seem a very for midable one. Shortness of grass and the necessity for feeding grain and mill feeds are given as the cause. In this connection it is said that there will be hardly any pea crop this year a blight having struck the vines, and thus another valuable source of revenue to the farmer and dairyman wil be lost. But the root crop may verbe saved, that is, wherever a catch was secured, and more and more farmers recognize the value of the mangold wurtzel and turnip crop. Comparatively few farmers grow carrots, while the sugar beet has fallen into disreput in York County, largely thru the alleged unfair treatmeth accorded by the refineries. And, after all the sugar beet brought in a tidy sum of money
