Longer Service; Less Overhauling

The Chalmers motor "stays right" longer. It requires less overhauling and

saves owners thousands yearly. That spells lasting satisfaction. It is due to the Chalmers practice of heating the mixture-not merely the air-before it enters the cylinders.

What S. A. E. Men Say A committee of the Society of Automotive Engineers has just released the report of its investigation into the preheating principle.

It says, in so many words, that the practice of pre-heating fuel results in the "maintenance of the engine in such a condition as to deliver higher power over longer periods between overhauling.'

This is highly important to you. It means higher efficiency and better performance. It means longer service and lower cost for repairs and replacements. These, we think, are things every motorist desires. Chalmers' owners enjoy

them. Equally important, the Chalmers requires less fuel, by making better use of it. It gets more power, by completely consuming the fuel in the cylinders.

It gets smoother running, and a really wonderful pick-up. It warms up more quickly, and saves

itself much wear and strain. Things That Mean Satisfaction All these advantages naturally make Chalmers owners think highly of their

SILESIAN PROPAGANDA.

Berne, Jan. 31.—The Swiss Government has agreed to allow the troops of countries belonging to the League of Nations to pass through its territory on the way to Upper Silesia to help super-vise the plebiscite there on the question of remaining with Germany or joining

Poland.
Swiss who have just returned from Upper Silesia declare that the more troops are sent there to keep order the less chance there will be of bloodshed during the plebiscite. Polish and German propaganda is alike taking extraordinary forms. Thus, the Poles have organized religious pilgrimages to Czenstochowa and Polish pulpit propaganda has reached such lengths that the pope has intervened, through the nunzio, Monsigner Ogno, telling the Upper Silesian priests not to engage in pulpit political controversies. Speaks in Support of Conservative Candidate in Peterboro.

PETERBORO, Ont., Jan. 30 .- "This is my first appearance on the political hustings," said Sir Henry Drayton at a meeting held here Saturday night in support of the candidature of R. Denne, the Government candidate in the federal by-election in West Peterboro. Besides the minister of finance, addresses were given by Major H. M. Mowat, M.P., Toronto; H. H. Stevens, M.P., Vancouver, B.C., and Mr. Denne. Referring to the tariff policy of Hon. W. L. Mackenzie King, Liberal leader in Canada, Sir Henry Drayton quoted from some of Mr. King's speeches in w. L. Mackenzie King, Liberal leader in Canada, Sir Henry Drayton quoted from some of Mr. King's speeches in the House in which immediate tariff reductions were demanded. It was not

a question of submitting it to a general election, said Sir Henry. Mr. King wanted the Government to revise the tariff then and there. Out on Prairies.

"Now Mr. King comes into West policy by Mr. Dewart and Hon. Mr. ferguson last week would seem to be Liberals got into power tomorrow place the premier under the necessity the Liberals got into power tomorrow they would not make a single change in the tariff without first submitting it to the people," said the minister. "Out on the Prairies, Mr. King is one of the most maryelous free-traders and tariff-smashers you could find anywhere. Here in Peterboro he supports Mr. G. N. Gordon, the Liberal candidate, who puts a tariff on everything the constant of the premier took extensive notes. He shook his head in emphatic disapproval on occasions when speakers imputed the census bureau announced today.
The only race which showed a greater rate of increase in Hawaii than the Japanese was the Filipino, with an increase from 2.361 in 1910 to 21.031 in 1920. The native Hawaiian peoples decreased in the last decade from 26,041 to 23,723.

the unit rate of labor on one article manufactured in Canada was 26c, and in Japan the unit rate of labor on the same article was 6c. That represents a big difference in the standard of living."

Honest Endeavor,
Sir Henry Drayton said there should be an honest endeavor to arrange business so as to eliminate seasonal depression. Answering the charge that the rich do not pay as high an income tax in proportion as the poor, he said that in the lower registers the Canadian income tax is less severe than in any country in the world, and in the higher registers it is higher than in any other country.
