NOVA-SCOTIA (27) ALMANACK.

Soon as the morning trembles o'er the sky,
And, unperceiv'd unfolds the spreading day,
Before the ripen'd field the reapers stand,
In fair array; each by the lass he loves,
To bear the rougher part, and mitigate
By nameless gentle offices her toil.

PHASES OF THE MOON FOR SEPTEMBER 1837.

- ☾ First Quarter 7th day 6h 57' even.
 ○ Full Moon 14th day 9h 14' morning.
 ☾ Last Quarter 21st day 11h 40' morn.
