LOCAL NEWS

The outing associations at Renforth, Fairvale, Grand Bay and Westfield held enjoyable dances on Saturday evening. They were regular weekly events and were well attended.

J. Royden Nelson of Fairville will leave tomorrow night for Calgary to spend a vacation with his brother S. S. Nelson. For the last four years he has been on the staff of the Bank of Nova Scotia but was compelled by ill health to resign.

The Maintenance of Way Men's Union of St. John, Fredericton and Miramichi met here on Sunday when the local union entertained the visitors at a banquet in the LaFour Hotel. More than 200 members of the various lodges were present. Short addresses were given by various members.

The annual Sunday school picnic of Trinity church was held at Grand Bay on Saturday. More than 500 children and adults attended the picnic, and the day was a great success under the capable management of Rev. A. E. Gabriel.

The Main street Baptist Sunday school held its annual picnic at Crystal Beach. In spite of the showers, the children had an upsetting time, having spent the day in games and races. W. J. McAlary, superintendent of the school, was in charge.

The delivery team of Jacobson Bros. crashed into the delivery wagon of the Vail Laundry in Charlotte street on Saturday morning, upsetting the wagon and bowling the horse to the sidewalk. Maurice Everett, who was on the Jacobson vehicle was thrown to the pavement receiving painful injuries.

LABOR MATTERS IN DOMINION

Slow but Steady Improvement is Reported—Cost of Living.

Ottawa, June 20.—(Canadian Press).—At the beginning of May employment among trade unions in Canada was 16.57 per cent, the total membership as compared with 16.46 per cent, at the beginning of April and 2.52 per cent at the beginning of May, 1920, according to the June issue of the Labor Gazette. Returns from 5,000 firms indicated a slow but steady improvement. The cost of the weekly family budget of staple goods continues to decline. The average cost at the beginning of May was \$12.25, as compared with \$12.68 in April and \$18.55 in May, 1920. The time lost during May from industrial disputes was greater than during April and also greater than during May, 1920. In May, 1921, there were forty-five strikes, involving about 8,236 working people and causing a loss of 468,620 working days. There were twenty-six strikes on record at the end of the month, involving about 6,709 working people.

THE WEEK-END IN IRELAND

(Canadian Press Despatch).

Dublin, June 19.—A count of the casualties resulting from the ambush of Crown forces at the junction of Ryders Row and Capel street last night shows that the affair was more serious than at first reported, one officer, five soldiers and ten civilians being wounded in the fighting.

Philip Duggan was dragged from his home at Grangehagen, County Kildare, by eight armed men and shot dead. His mother, who is seventy years old, was seriously wounded.

The dead body of Patrick Darcy, a school teacher, was found near Corracare by a police patrol. It was labelled: "Sooner or later we get them. This spy was tried, convicted and executed by the Irish Republican Army."

The steamer Rosellian Castle, with supplies consigned to the military forces on Spike Island, was boarded yesterday by twenty armed men in boats at Black Rock, County Cork, and beer, potatoes and cakes were thrown overboard.

Following the shooting of Constable Campbell near Dundalk Friday night, armed men early Saturday morning entered a saloon and took two sons of the proprietress, John and Patrick Watters, from their beds and shot them in the streets. A third son escaped.

STILL CONFERRING ON WAGES CUT FOR C. P. R. MEN

Montreal, June 20.—(By Canadian Press).—The conference between Vice-President Grant Hall of the C. P. R. and representatives of labor which has been proceeding intermittently since Friday, continued up to ten o'clock Saturday night and was then temporarily adjourned. None of the participants had any announcement to make. The discussion of the proposed wage reduction of 12 per cent on this railroad will be continued this week.

Adler-i-ka Again!

"I was troubled with constipation and indigestion for about three years. Was afraid to eat even rice. Since taking Adler-i-ka I can eat anything without fear." (Signed) Mrs. A. Howard.
Adler-i-ka acts on BOTH upper and lower bowel, removing foul matter which poisons stomach. Brings out all gasses, relieving pressure on heart and other organs. EXCELLENT for gas on the stomach or sour stomach. Removes a surprising amount of foul, decaying matter which you never thought was in your system and which nothing else can dissolve. Prevents appendicitis. Adler-i-ka surprises those who have used only ordinary bowel and stomach medicines. J. Benson Mahony, druggist, 2 and 4 Dock street.

NEWSPRINT FROM SOUTHERN SPRUCE PINE

Birmingham Paper Uses it and Experts Say it Equals Canadian Product.

Birmingham, Ala., June 20.—The Birmingham Age Herald this morning was published on paper manufactured from southern spruce pine, which grows along the banks of the Warrior River and in the hilly sections of North Alabama, covering many thousands of acres. The paper was manufactured from wood sent to northern mills and is declared by experts to be the equal in every respect of the newsprint made from Canadian spruce.

The Alabama pine, which is unfit for lumber, contains an unusually fine fibre, has a very thin bark, virtually no heart and contains only a trace of resin. It requires one ton of wood to make a ton of paper pulp.

WHILE AWAITING THE NEW GOVERNOR-GENERAL

Ottawa, June 20.—(Canadian Press).—It is probable that Sir Louis Davies, chief justice of the supreme court and deputy governor general of Canada, or one of the other supreme court justices, will be called upon to sign orders in council and other documents on behalf of the governor general until the arrival of Baron Byng in Canada.

Economically clean

She saved work—Sunlight Soap washed the clothes without rubbing. She saved time—she did other work while Sunlight did the wash. She saved money—Sunlight is an absolutely pure soap, therefore there is less soap used for washing than with ordinary soap, and less wear and tear of the clothes.
