THE MINISTER OF FINANCE OF THE DOMINION OF CANADA offers for Public Subscription the

Victory Loan 1919

300,000,000. 5 1/2% Gold Bonds

Bearing interest from November 1st, 1919, and offered in two maturities, the choice of which is optional with
the subscriber as follows:

5 year Bonds due November 1st, 1924
15 year Bonds due November 1st, 1934

Principal payable without charge at the Office of the Minister of Finance and Receiver General at Ottawa,
or at the Office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winni-
peg, Regina, Calgary and Victoria.

Bonds may be registered as to principal or as to principal and interest, as hereinafter provided, at any of the
above-mentioned offices.

Interest payable, without charge, half-yearly, May 1st and November 1st, at any branch in Canada of any Chartered
Bank.

Principal and Interest payable in Gold
Denominations: \$50, \$100, \$500 and \$1,000

Issue Price: 100 and Accrued Interest, Income Return 5 1/2% per Annum

The proceeds of the Loan will be used to pay indebtedness incurred, and to meet expenditures to
be made in connection with demobilization (including the authorized war service gratuity to our
soldiers, land settlement loans, and other purposes connected with their re-establishment into civil
life), for capital outlay upon shipbuilding, and other national undertakings forming part of Canada's
industrial reconstruction programme, and for the establishment of any necessary credits for the pur-
chase of grain, foodstuffs, timber and other products, and will be spent wholly in Canada.

Payment to be made as follows:
10% on application, 20% January 9th, 1920;
20% December 9th, 1919; 20% February 10th, 1920;
31.21% March 9th, 1920.

The last payment of 31.21% covers 30% balance of principal and 1.21% representing accrued interest at 5 1/2%
from November 1st to due dates of the respective instalments.

A full half-year's interest will be paid on May 1st, 1920, making the cost of the bonds 100 and interest.

Subscriptions may be paid in full at the time of application at 100 without interest, or on any instalment
due date thereafter together with accrued interest at the rate of 5 1/2% per annum.

This Loan is authorized under Act of the Parliament of Canada, and both principal and interest are a charge
upon the Consolidated Revenue Fund.

The amount of this issue is \$300,000,000, exclusive of the amount (if any) paid for by the surrender of bonds
of previous issues. The Minister of Finance, however, reserves the right to allot the whole or any part of the
amount subscribed in excess of \$300,000,000.

Payments

All cheques, drafts, etc., covering instalments are to be made payable to the Credit of the Minister of Finance.
Failure to pay any instalment when due will render previous payments liable to forfeiture, and the allotment to
cancellation. Subscriptions other than those paid in full on application must be accompanied by a deposit of 10%
of the amount subscribed. Official Canvassers will forward subscriptions or any branch in Canada of any Char-
tered Bank will accept subscriptions and issue receipts.

Subscriptions may be paid in full at time of application at 100 without interest, or on any instalment due
date thereafter, together with accrued interest to time of making payment in full. Under this provision, pay-
ment of subscriptions may be made as follows:

If paid in full on or before November 15th, 1919, par without interest or 100%.

If remaining instalments paid on Dec. 9th, 1919, balance of 90% and interest (\$90.52 per \$100).

If remaining instalments paid on Jan. 9th, 1920, balance of 70% and interest (\$70.84 per \$100).

If remaining instalments paid on Feb. 10th, 1920, balance of 50% and interest (\$51.08 per \$100).

If remaining instalment paid on Mar. 9th, 1920, balance of 30% and interest (\$31.21 per \$100).

Payment of instalments or payment in full after November 15th, 1919, can be made only on an instalment
due date.

Denomination and Registration

Bearer bonds, with coupons, will be issued in denominations of \$50, \$100, \$500, and \$1,000, and may be regis-
tered as to principal. The first coupon attached to these bonds will be due on May 1st, 1920.

Fully registered bonds, the interest on which is paid direct to the owner by Government cheque, will be issued
in denominations of \$500, \$1,000, \$5,000, \$10,000, \$25,000, \$50,000, \$100,000, or any multiple of \$100,000.

Payment of Interest

A full half-year's interest at the rate of 5 1/2% per annum will be paid May 1st, 1920.

securities so indicated will be delivered by the bank upon payment of subscriptions in full.

Bearer bonds of this issue will be available for delivery at the time of application to subscribers desirous of
making payment in full. Bonds registered as to principal only, or fully registered as to principal and interest, will
be delivered to subscribers making payment in full, as soon as the required registration can be made.
