

Report of the Prayer-Meeting Committee.

The Prayer-Meeting Committee appointed by the Session are pleased to be able to report that during the past year the week-evening meeting has been fairly well attended, especially by the women of the congregation. It would be well for the spiritual well-fare of the church, and also for their own, if the men-folk would come out in larger numbers and receive the blessing promised to those who assemble themselves together in the Master's name. We would thank those members of Session and others who have so ably and willingly responded to the request of the Committee, and conducted the prayer-meetings since the death of our late lamented pastor. Especially at this time, while we are without an under-shepherd, would we urge all to be loyal to the Wednesday evening meeting, and enjoy the privilege of attending this means of grace. The attendance and interest shown is an indication of the spiritual state of the people.

Owing to lack of interest we are sorry to report that the prayer-meeting formerly held at 10 o'clock Sabbath morning has been discontinued, but we hope when a new pastor has been settled that it will be resumed with increased interest.
