In our bins and racks. Time and time again these bins had to be replenished only to be quickly emptied again. A score or more times we were forced to lock the door to prevent the store becoming over-crowded and as fast as satisfied shoppers left newcomers took their places, joyfully entering into the carnival of bargains.

Hundreds of the finest quality shoes were sacrificed yesterday and today. This big going-out-of-business sale continues with unabated energy. Fresh stock is being constantly placed in the bins and disposed of. But thousands of pairs still remain in our shelves and storerooms. Your chance has come to buy high class foot-

"I BELIEVE that I am a pioneer in the Yeast-fc-Health habit. I was one of those unfortunate youngsters who are neither sick nor well. I had a very poor appetite, and my mother humored me when she discovered that I liked yeast. (This was years ago.) It was not very long before the yeast started to take effect. I grew stronger, and my mother said that I was like a new child. I have been using Fleischmann's Yeast ever since, whenever I felt the need of a regulator—namely of thirteen years."

"In a ballroom I managed when possible to hide myself behind a fan. My complexion was an eyesore to others and a heart-sickness to me. . . . But that was last year. As I write, I put my left hand up to my cheek; velvety smoothness—a clear, glowing skin, unmarred by the hundred uglinesses it once knew! And the whole transformation was ridiculously easy: two cakes of Fleischmann's Yeast a day for a period of three months!"

"I DID NOT eat six cakes of Yeast and feel myself improving immediately. In fact for one month I used 3 cakes a day without any visible improvement. But by the middle of August, 1921, my chronic constipation commenced to give way. . . . I again consulted our family physician, who told me to use no other remedies but Fleischmann's Yeast. . . . Today my stomach troubles have become ancient history, and my skin eruption a thing of the past—thanks to the remarkable effects of Fleischmann's Yeast."

ONE SIMPLE FOOD
and they found the Road to Health

THESE remarkable reports are typical of thousands of similar tributes to Fleischmann's Yeast. There is nothing mysterious about its action. It is not a "cure-all," not a medicine in any sense. But when the body is choked with the poisons of constipation—or when its vitality is low so that skin, stomach, and general health are affected—this simple natural food achieves literally amazing results.

Dissolve one cake in a glass of water (just hot enough to drink)—before breakfast and at bedtime. Fleischmann's Yeast, when taken this way, is especially effective in overcoming or preventing constipation. Or eat 2 or 3 cakes a day—spread on bread or crackers—dissolved in fruit juices or milk—or eat it plain.

Concentrated in every cake of Fleischmann's Yeast are millions of tiny yeast-plants, alive and active. At once they go to work—invigorating the whole system, clearing the skin, aiding digestion, strengthening the intestinal muscles and making them healthy and active.

Fleischmann's Yeast comes only in the tinfoil package—it cannot be purchased in tablet form. All grocers have it. Start eating it today! A few days' supply will keep fresh in your ice box as well as in the grocery's. Write for further information or let us send you free copy of our latest booklet on Yeast for Health. Address: Health Research Dept. 862, The Fleischmann Company, 208 Simcoe Street, Toronto, Ont., Canada.

"STRUGGLING with my dead husband's business, I found each day exacting more energy than I could generate. The end seemed inevitable—breakdown for myself, and institutional care for my boys and girls. I heard some one joking another about eating Fleischmann's Yeast. I tried it. To my surprise I soon felt a sustaining strength which increased as I used the yeast regularly. With better digestion, came improved assimilation resulting in added strength. Every time I buy Fleischmann's Yeast I feel positively ashamed of the trifling price I pay for each of these potent cakes."

(A letter from Mrs. A. C. Cowling, an Okla-homan)

"I AM a mail-carrier, and it may sound strange that a man walking twelve miles a day, six days a week, should suffer from constipation. But I did for over three years. Laxatives gave me only temporary relief. Then about eleven months ago, a friend of mine said 'Black, why don't you try Fleischmann's Yeast?' . . . After the first month I noticed a remarkable difference, and when Saturday night came I still had some pep left. . . . Fleischmann's Yeast has relieved me completely of constipation, and I feel tip-top all the time."

(Extract from a letter of Mr. J. F. Blackburn of Oakland, Cal.)

"I AM a traveling man. Indigestion is a dreaded foe of my fraternity, but I boasted that I had abused my stomach for years. Then indigestion landed a knockout! . . . I grew moody, discouraged, and my work suffered. . . . When a friend spoke to me of Yeast, I had no faith in it. But its effect was rapid, and one day I ordered a big steak, and potatoes, and coffee—a wonderful meal, and no bad after-effects! I again eat anything, at any time and any place!"

(Extract from a letter of Mr. W. L. McGahan of Dallas, Texas.)

"I WAS willing to attempt anything to get rid of the terrible pimples on my face and back. Doubting, I ate yeast regularly for one month—and now—no more blues over my complexion—no more a wall flower, but just a healthy college girl who advocates Fleischmann's Yeast to set one right with the world."

(A letter from Miss Corinne Willroth of Logan, Kansas.)
