Hair's Vegetable Sulfur Hair Re-
newer is a scientific combination of some of
the most powerful restorative agents in the vege-
table kingdom. It restores gray hair to its origi-
nal color. It makes the scalp white and clean. It
cures dandruff and humors, and falling out of the
hair. It furnishes the nutritive principle by
which the hair is nourished and supported. It
makes the hair moist, soft, and glossy, and is un-
surpassed as a hair-dressing. It is the most
economical preparation ever offered to the public.
Its effects remain a long time, making only an
occasional application necessary. It is recom-
mended and used by eminent medical men, and
officially endorsed by the State Assayer of Mas-
sachusetts.

A MAN OF A THOUSAND

When death was hourly expected, all remedies
having failed, and Dr. James was experimenting
with the many herbs of Calcutta, he accidentally
made a preparation which cured his only child of
Consumption. His child is now in this
country, and enjoying the best of health. He has
been cured to the world that **Consumption** can
be positively and permanently cured. The Doc-
tor now gives his Receipt free, with full particu-
lars, showing that every one can be his own
physician and prepare his own medicine, only
asking that each send two green stamps to pay
expenses. This herb also cures night-sweats,
nauseas at the stomach, and will break a fresh
cold up in twenty-four hours.

MANHOOD.

We have recently published a new edition
of Dr. CLEVERWELL'S CELEBRATED ESSAY
of the radical and permanent cure (without
medicine) of Nervous Debility, Mental and Phy-
sical Incapacity, impediments to Marriage, etc.
resulting from excesses.

Price in a sealed envelope, only 6 cents,
or two postage stamps.

The celebrated author in this admirable Essay
clearly demonstrates, from thirty years successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicine, or the application of the knife;
pointing out a mode of cure at once simple, cer-
tain and effectual, by means of which every suffer-
er, no matter what his condition may be, may
cure himself cheaply, privately and radically.

His Lecture should be in the hands of
every youth and man in the land.
