time. Hirsch proved that less time is

required to recognize a touch than s

than to hear, but the question still re-

mained as to what part of the time was

consumed in the act of recognition.

This problem was solved by Donders.

By means of very ingenious apparatus, he has found that the double act of

recognizing a sound and giving a re-

sponse occupied seventy-five thou-

sandths of a second, of which forty

thousandths were required for the sim-

ple act of recognition; leaving thirty-

five thousandths for the act of volition.

One twenty-fifth of a second was occu-

pied in judging which of two irritants

was acting upon the same sense; but a

slightly longer time was necessary to

ound, and it took more time to see

SYPHILIS. RED JAMAICA SCROFULA, SARSAPARILLA SALT-RHEUM. DOUBLE IODIDES.

Space forbids the giving nore testimony in this ALL space forous the giving more testimony in this place, in favor of this great medicine. Is not one certificate, however, from an eminent and well-known Physician like Dr Bessey, of Montreal, sufficient to establish its superiority over the numerous mixtures called Blood Purifiers offered by Druggista and others? ALL thers?
C. STRATTON, Esq.
Montreal, Feb. 1st, 1877.
I cannot but regard the formula from which Dr.
Sarsaparilla is LIVER AND SPLEEN.

formula from which Dr. Channing's Sarsaparilla is prepared, as one of the best possible combinations to constitute an effectual remedy, fer the cure of Blood Impurities. So far as my experience leads me with this remedy, I can testify to its great value in the treatment of all Strumous and Cachectic RHEUMATIC AFFECTIONS, DISEASES OF THE KIDNEYS, BLADDER AND URINARY ORGANS.

LEUCORRHŒA CATARRH. AND ALL DISEASES RESULTING FROM A DEPRAVED AND IMPURE

advice, and will, no doubt, become popular with Medi-cal men throughout the country.

Respectfully yours, BLOOD. W. E. BESSEY, M.D. Beaver Hall Square. Note.—Dr. Channing's Sarsaparilla is put up in large bottles, with the name blown in the Glass, and retails at \$1.00 per hottle, or Six Bottles for Five Dollars. Sold by Druggists generally, and most Country Stores. Be sure, and ask for Dr. Channing's Sarsaparilla and take no other. If not readily obtained in your locality, address the General Acant.

"simple acts" must be combined to form any process of reasoning or continued thought.

Nobody. There exists an evil sprite which seemingly haunts every house—a mischievous elf, though bringing no fairy gifts to dazzle our eyes or reward our painstaking labors: on the contrary, scattering desola-tion in his track like a minute, yet baneful, sirecco: and the generally-received momen of this sprite is "Nobody!" Ah, could the mischief he some mmits during one little day be calculat-

ed—each act perhaps trifling; but if all were heaped together—what a mountain would they become!
In fact, so notorious is he that some of his exploits have actually been poetized. Among many others,

"He puts damp wood upon the fire,
That kettles cannot boil;
His are the feet that bring in mud,
And all our carpets soil.
The papers always are mislaid,
Who had them last but he?
There's no one tossee them about

The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent of the people in the United States are afflicted with these two diseases and their effects; such as sour Stomach, Sick Headache, Habitual Costiveness, Palpitation of the Heart, Heart-burn, Waterbrash, gnawing and burning pains at the pit of the stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, &c. Go to your Druggist and get a 75 cent Bottle of August Flower or a Sample Bottle for 10 cents. Try it.
Two doses will relieve you.

ZOPESA FROM BRAZIL-As a result of ing importance with Brazil, is the intro duction of Zopesa, so justly celebrated where it is known for the cure of all forms

determine the priority of signals sent by different senses, as those of hearing and seeing. The described results were and seeing. The described results were obtained from a man of middle age, the young were somewhat quicker; but the average of many experiments showed that the time required for a simple Digestive Organs, its certainty to relieve when it is considered how many of these ham, N. B.

NICK, NACKS,

young were somewhat quicker; but the average of many experiments showed that the time required for a simple thought is never less than the fortieth part of a second. The mind, therefore,
