Be Royally Celebrated.

Lord Kitchener is Declared To Be If They Are Not Asked to Stand the Real Hero of the Hour

LONDON, May 31.—If a definite announcement of peace in South Africa is made Monday, as expected, that night will rival the celebration which occurred when the relief of Mafeking was officially announced (in May, 1990). Throughout London arrangements have already been made for numerous peace dinners. The aristocracy will "maffick" on no small scale, and doubtless the denisens of Whitechapel and the various Bast End quarters will invade the Strand and other thoroughfares with their wild elation. Already the wiseacres are saying that Lord Kitchener will be made an earl and receive the thanks of parliament, accompanied by a substantial grant of money. One of the most curious features of the war is the remarkable way in which he has deepened the awenome respect, akin to regards him. His lappnic reports and his utterly independent prosecution of the campaign in South Africa has hugely heightened his military reputation.

the campaign in south Africa has hugely heightened his military reputation.

Yet, he is universally admitted to have next to nothing in common with his countrymen or the government. As Lord Kitchener's star has ascended, so has Lord Roberts' declined. The gendal optimism of the now commander in the chief grates so bitterly upon a people so overtaxed for the war which he so long declared finished, that the spontaneous popularity which made him the hero of the jubilee procession will not be repeated at the compation. Lord Milner may or may not have played an important part in the peace negotiations; but popular and political opinions assign to the ex-Sirdar of the Egyptian forces the bringing about of the present negotiations. This feeling is by no means confined to outsiders. Great financial magnates, whose information regarding the conditions in South Africa has often been better than the government's, declare Lord Kitchener is the saviour of his country.

BRUSSEILS, May 30.—It is said here that the Boer delegates in Europe now admit that peace in South Africa has been secured and that the settlement between the Boers and Great Britain will be signed in the names of the former citizens of two South Africa nerpublics who are now in Europe, including Mr. Kruger, thus preventing the irreconcilables from continuing a guerilla warfare on the pretex that they are obeying the orders of the Boer delegates in Europe.

RHODES'S FORTUNE

RHODES'S FORTUNE

Estimated to Amount to \$25,000,000 or \$30,000,000.

or \$30,000,000.

NEW YORK, May 31.—Cecil Rhodes' executors have decided that the probate of the will should be taken out in South Africa, cables the London correspondent of the Tribune, and this will be done after the return of Dr. Jameson and Mr. Michell to the Cape. Nothing definite is yet known as to the extent of Mr. Rhodes' fortune, but so far as has been ascerteined it will amount to \$25,000,000 or \$2.000,000. His educational scheme has been gone into by the executors, but it will be some time before the arrangements can be completed. It is hoped, however, that the first Rhodes' scholárs will enter Oxford University at the October term next year. Dr. Jameson and Mr. Michell have ben authorized to represent the executors in South Africa.

A Crowd Cheers While Two Negroes Knife Each Other.

Knife Each Other.

CHICAGO, May 31.—Two colored men fought a duel to the death with knives last night at 22nd street and Dearborn street. As they slashed and plunged the weapons into each other's body a crowd of more than 30 persons formed a circle around them and cheered the combatants when one or the other drove the knife to the hilt.

After ten minutes of fierce fighting Alexander Shirley staggered and fell, with his adversary's weapon sticking in his body. The long, keen-edged blade had pierced his heart. He was dead when the police arrived. His slayer, Charles Thomas, was bleeding from several wounds. The police hurried him to a hospital and, after his wounds were dressed, locked him up. He will be charged with murder. Shirley came to Chicago recently. He met Thomas and, having known him in the south, tried to borrow money from him. Thomas refused to give him assistance and they quarreled, Before parting, Shirley, it is said, made the threat that when they met again one or the other would die.

Trial Before Judge Spero

of Georgia.

NEW YORK, May 31.—A special to the Herald fmm Washinston says:

"Greene and Gaynor, the American fugitives who are now in prison in Quebec of their own choice, to avoid extradition to the United States to answer the charge of embezzlement in connection with the notorious case of Captain C. M. Carter and the frauds in the Savanna harbor contracts, have notified the attorney general that they are willing to return to the United States and stand trial before any judge of a United States court, excepting Judge Spero of Georgia.

"This statement was made here tonight by Andrew J. Rose, who was one of the leading counsel in the case of Captain O. M. Carter, and afterwards prominent as one of the defenders of Greene and Gaynor. Mr. Rose arrived here tonight. Mr. Rose went on to say that he was in Canada last week and saw Messers. Greene and Gaynor, and they were perfectly willing to stand trial in this country. They claim that they cannot get justice from Judge Spen, as he is prejudiced against them."

THE COAL STRIKE.

Every Indication of a Prolonged Struggle.

WILKESBARRE, Pa., May 31.—
There is every reason to believe the pump runners will respond with practical unanimity next Monday, to the order to strike unless granted an eight hour work day and other conditions prescribed by the Shamokin convention. That the operators will not yield is evidenced by the high fences and barbed wire they have placed around the collieries. Hundreds of extra coal and iron policemen have been employed, armed principally with revolvers. They are back of the fences and barbed wire. President Mitchell is expected here late today or tonight.
WILKESBARRE, Pa., May 31.— A largely attended meeting of engineers, firemen and pump men was held last night. It is said every colliery in Wyoming Valley was represented. A resolution endorsing the strike order of the executive board calling out the engineers, firemen and pump men was adopted by a vote of 315 to 57.

SCRANTON, Pa., May 31.—At a meeting attended by over 100 engineers, pump men and firemen today the strike order was endorsed.

SHAMOKIN, Pa., May 31.—One hundred deputies were sworn in here yesterday by Justices of the peace at the request of the coal companies. The special policemen will be distributed at collieries in this district to protect men in the firerooms and at the rumps who remain at work next Monday.

PITTSBURG, Pa., May 31. President Macmahon and the executive committee of the Blast Funace Workers Association will be in session at Youngstown, Ohio, today, for the purpose of receiving any proposition the furnace operators may make concerning their demands for an eight hour turn at the present scale of wages. If no communication is received from the operators, the strike of furnace workers in the Mahoning and Shenandoah furnaces and also all furnaces operated by the United States Steel Corporation, it is said, will take effect Surday morning.

NEWFOUNDLAND ILLUSTRATED.

The handsomest souvenir publication to attract tourists that the Star has seen this year comes from Newfoundland, sent over by W. A. Simonds of the C. P. R. It is a well bound booklet of many pages, published in New York. Only one page and a half is devoted to reading matter and that simply to tell the reader how to get to Newfoundland. The pictures tell the rest, and they are of the most fascinating sort. There is also a large and splendid map of the island folded into the book.

THE EARTHQUAKE

ror of the Event.

Already 1400 Dead Bodies Taken Out of Ruins of One Town -Others Destroyed.

SAN FRANCISCO, Calif., May 31.—
Later details of the earthquake in Guatemala only add to its horrors. Passengers arriving here on the steamer City of Sydney say they understood that 1,400 dead were taken from the ruins of Qenzaltenango. One man who was there and aided in the work of taking out the bodies, says that over 1,000 had been taken out when he left there on May 13, twenty-five days after the city had been destroyed. Reports of loss and damage on the coffee plantations are beginning to come in, and they practically double the total reported from the towns. The estimated figures run into the millions.

Lapacuchula is a city of about 10,000 and the damage to the town is estimated at about \$200,000. San Marcos, a town nearer Quezaltenango, was also destroyed with great loss of life. There were 140 prisoners in the jail, and every man was killed, crushed and buried under the falling walls. In Tlachico, a town of 2,000 inhabitants, not a house was left standing.

A stylish and large assortment of French, German and American muslins that is shown at Dyke-man's is very attractive.

THE GRAIN TAX.

Owners of Half a Million Horses Protest Against It.

LONDON, May 31.—A deputation representing the owners of half a million horses interviewed the chancellor of the exchequer, Sir Michael Hicks-Beach, today, and strongly protested against the tax on oats and maize. The chancellor, however, informed the delegates that it was impossible to give up the general tax on grain or especially exempt oats or maize. There was no greater reason, he pointed out, for the exemption of horse food than there was to exempt wheat or other grains used by humans. If the alleged increase in the cost of horses and food was due to the war, with the expected peace there would be a fall in prices considerably greater than the amount of duty. In the meanwhile, horse owners will make the public pay the duty, as ought to be the case. In LONDON, May 31.—A deputation re-presenting the owners of half a million the duty, as ought to be the case. In his opinion, the present high prices, especially of maize, were femporary and were due to the short harvest in America last year.

New Chief Elected—An Old Time Dance in the Evening.

Between three and four hundred Indians congregated at French Village on Thursday to celebrate Corpus Christi. Rev. Father Leanner, French Village, Rev. Father Ryan, St. Mary's, Rev. Father Carney, Fredericton, and Rev. Father McDermott, Oromocot, conducted the religious ceremony in the morning, during which service the church was packed to the doors.
