### W. C. T. U. CONVENTION.

(Continued from page 1c.)

The annual meeting of the W. C. T. U. was continued yesterday afternoon and evening. Fifty members were in attendance. Mrs. Robinson, acting treasurer, was introduced and five little girls, who are to act as pages, Misses Myers, Howard, Keith, Hawkhurst and Edgar. Rev. Mr. Westmorland gave a very interesting talk on the influence of early training with regard to the cause of temperance. The corresponding secretary's report, which was next submitted, showed the following:

Total membership, 456  
Total honorary members, 24  
Total new members, 24  
Total pledges obtained, 59  
Total pages of literature, 51,015  
Total number union meetings, 342  
Total number parlor meetings, 8  
Total number public meetings, 85  
The members who have died during the year are as follows:  
Mrs. A. Thornton, Hartland.  
Mrs. Andrew Marchie, St. Stephen.  
Mrs. J. Fowler, Newcastle.  
Mrs. Wm. Allison, Derby.  
Mrs. H. Jones and Mrs. Robert Dalton, St. John.  
Mrs. Jno. Rudolph, Mrs. Jos. McAlister and Mrs. J. Robinson, Moncton.  
Mrs. R. A. Phillips, Fredericton.  
The report of the treasurer, Mrs. Carrie A. Robinson, showed the total receipts for the year to be \$483.70, and the disbursement \$221, leaving a balance in the treasury of \$117.70.  
The county presidents who were in attendance were next called on and reported the progress being made in the counties.  
Mrs. Stevenson's address was most interesting. She believed in the W. C. T. U. first because it is what it professes to be a union. We have long known theoretically that in union there is strength but it has been left to re-

cent years to prove this in moral and religious life. She loved this organization because it stands for temperance and in temperance and legalised liquor traffic she saw the greatest foe of righteousness.

### REGISTRAR'S APPOINTMENT DELAYED.

FREDERICTON, N. B., Sept. 5.—The local government in session here this evening did not make appointments to the St. John registrars of probates or the position of factory inspector. All the members but Hon. C. H. LaBelle were present. Some minor appointments were made and the report of the Central Railway commissioners was received and the contract with Brown Bros. was approved. The premier and Hon. Messrs. Parry and LaBelle were appointed to arrange a reception to Prince Louis of Battenburg in case he comes to St. John with his fleet.

### HOME FOR INCURABLES.

The September meeting of the board of management of the Home for Incurables was held yesterday with Dr. Walker in the chair. One death took place last month. Three applications for admission were received if there were any vacancies in the men's ward. It is the intention of the Aid Society to hold an afternoon tea on the grounds or within the building two weeks hence the proceeds to be used for the aid of the institution.

**CLAIMS FOR DAMAGES.**  
Many Loch Lomond Residents Demand Reimbursement—Council Hurdled Through Business in Record Time  
It took the common council just 20 minutes yesterday to transact their business. The first matter decided upon was to put in a sewer from the front of Dr. Christie's house on Main Street to Elm Street, as the water was destroying the pavement.  
Coal tenders were awarded to Messrs. Starr and Gibson. It was decided to instruct the recorder to apply for an injunction in the event of the Telephone Co. attempting to open up any streets without the permission of the council.  
John J. Alexander, a street foreman, had his pay increased to \$3 per day. Tenders for 500 yards of granite pavement were received from John Kline, Halifax, at the rate of \$1.16 per yard or \$6 per thousand blocks. Refused by board of works.  
The report of the safety board was carried without any discussion. The chief items were those providing for an expenditure of \$300 at No. 2 engine house, and the determination to enforce the by-law relating to appliances on sidewalks.  
A number of claims have been made for damages on account of the Loch Lomond water extension. Peter Smith considers that the diverting of the Mipec Stream to Lake Lomond has damaged his property to the extent of \$4,000. James McInerney has a claim for \$2,000.  
Daniel Muffin claims damages for Edward and Bernard Nelson of Lakeview for damages done to their farms. All communications were referred to the proper boards.

**GRAND GORTON'S MINSTRELS.**  
Superb in stage settings, scenic effect and sumptuous costuming, the new "First Part" setting of the performance given by Gorton's Minstrels this season is said to surpass anything ever presented in minstrelsy. The scenic represents the broad lawn of the "Ponce de Leon Hotel," the famous winter resort of Florida. On every side sparkling fountains and bright flowers adorn the landscape. In the background appear the imposing outlines of this famous hotel, magnificent in structure and gorgeous in color. Numerous brilliant electric lights add to the splendor and beauty of this tropical scene. The costuming of the company is elaborate and calls for special attention. The vocalists are attired in the elegant satin court costumes of the times of Louis XIV. The end-men are resplendent in evening dress suits of crepe satin, the inter-actor appears in a costume of pure white satin and the orchestra in steel gray satin. The whole picture, forms a brilliant and picturesque ensemble, original in conception and pleasing in every detail. The company will appear at the Theatre for three nights, commencing September 11th, with Wednesday matinee.
