

# THROAT REST

You can cough yourself into bronchitis, pneumonia, and consumption. Bandaging and bundling your throat will do no good. You must give your throat and lungs rest and allow the cough wounds to heal. There is nothing so bad for a cough as coughing. Stop it by using

# Ayer's Cherry Pectoral

Even the cough of early consumption is cured. And, later on, when the disease is firmly fixed, you can bring rest and comfort in every case.

A 25 cent bottle will cure new coughs and colds; the 50 cent size is better for settled coughs of bronchitis and weak lungs; the one dollar size is more economical for chronic cases and consumption. It's the size you should keep on hand.

"All families ought to be on the watch for sudden attacks of croup or acute lung troubles. Every country home in the land should keep Cherry Pectoral constantly on hand to provide against an emergency."

JOSIAH G. WILLIS, M.D.

informed the meeting concerning the next Quarterly; being a yearly meeting, it was the duty of each branch of church work represented in the Quarterly meeting to present written reports at the May meeting.

Rev. S. Langille, according to appointment, then opened the question Box, and answered the questions, he then preached the Quarterly Sermon from Hosea 10: 12 followed by an evangelistic service. It was a blessed season! many witnessing for Christ, with a number that rose for prayer. Collection amounted to \$3.90. Place of May meeting will be decided later.

Notices.

The Nova Scotia Sunday School Association has set apart the 18th day of March on which the subject of temperance is to be taught. We therefore ask all ministers, superintendents, and officers of Sunday schools to do all in their power to bring about the universal observance of the day. Where a Temperance Dep't. has been formed let the members take charge of the exercises, where that has not been done decide to do so on that day, that the members of the school may have systematic temperance teaching. The White Ribbon Army pledge not only includes liquors, but tobacco and profane swearing, is simple in its organization and easily worked. Any one wishing information will be sent leaflets "How to organize," upon applying to
