

AGRICULTURAL SOCIETIES ARE PROGRESSING

Carleton County Organizations Planning Fair—Government Ditcher Has Much Work Ahead

Marland, N. B., Nov. 22.—On Tuesday evening the People's Union Agricultural Society held an interesting meeting in Burdett's Hall. The attendance was not all that could be desired, but the enthusiasm of those present made up for lack of numbers. The matter of holding a seed fair in connection with the annual poultry show was brought up and favorably considered. With the competition in these two lines it is hoped to hold a very creditable show. A committee was named to work out the details.

Another matter that engaged the attention of the meeting was the pure bred stock and an effort will be made to get in touch with the Dominion Department of Agriculture in an effort to secure some good breeds. The institution of a cheese factory under control of the society was another proposition. This was looked upon favorably. The annual meeting of the society will be held on Saturday, the 23rd instant, at 2 p. m. At this meeting the officers will be elected for 1914 and further details will be perfected in connection with the proposed seed fair and the erection of a cheese factory.

The Carleton County Poultry Association will meet at the close of the meeting of the Agricultural Society, when the accounts for the last year will be audited and arrangements made for holding the annual show at an earlier date than usual. At this meeting the officers of the society will also be elected.

The government ditcher which has been at work laying tile drains on Bradley Hill has completed operations there and on Wednesday was taken to Florenceville, where the work of laying 6,000 feet of drain pipe on green land will be undertaken.

By an arrangement made with officials of the C. P. R., passengers on the up express arriving here about 12.30 p. m. will be able to secure meals at the Windsor Hotel, conducted by John Glass. This change of the dining room service of the C. P. R. here goes into effect on Monday, the 24th instant. Changes are being made in the dining room equipment of the hotel and improvements in the office and lounge room. The hotel is next the old C. P. R. dining room, conducted by R. B. Owens for a number of years and is but a few steps from the station.

There is a scarcity of men to supply the demands of the lumbering industry, and as fast as one shows up willing to go to the woods he is eagerly picked up by one or other of the operators and forwarded to the scene of operations. The wages paid, too, this year are above the average, and the supplies going forward are far superior to those obtaining a few years ago.

At Windsor on the afternoon and evening of Dec. 9, the semi-annual Sunday school convention of the parish of Brighton will be held. An interesting programme is being prepared and all interested in the work are invited to attend. A representation from each school is much desired.

Produce prices this week are reported as follows: Potatoes, \$1.25; pressed hay, \$9 to \$11; oats, 40c to 45c; B. W. meal, \$1.75; swine, 8c; hides, 11c; chickens, \$12c. lb.; butter, 24c to 25c; eggs, 28c to 30c; dressed pork, 8c to 10c; geese, 14c. lb.; ducks, 14c. lb.; fowl, 12c. lb.; dressed beef, 6c to 7c; turnips, 50c. bbl.

There was a good attendance at Mrs. Adney's choral class on Tuesday evening and the route places in some of the masterpieces of songs were smoothly down and much progress made generally.

D. J. Coughlin has accepted a lucrative position as scaler in the lumber operations of the N. B. Ry. Co., and on Monday went to the Miramichi to begin work.

One day this week Roy Rideout succeeded in capturing a live red fox. In the United Baptist Church on Tuesday, the 26th inst., the annual meeting of the Bible Society will be held. Rev. A. F. Newcomb and other gentlemen will address the meeting.

Fred Harvey of Glasville has purchased the Orlando Grass farm at Jacksonville. The farm consists of 160 acres and the price paid was \$5,000.

On Saturday evening at Somerville Willie Rideout entertained a number of young people at a birthday party. Rev. C. S. Young is now the regular pastor of the Baptist Church at Plaster Rock.

The Misses Lounsbury and Murray have been visiting Mrs. D. W. Foster. Mrs. Emily DeWitt has gone to Ludlow, Me., to visit her son.

On Thursday afternoon the Women's Institute met at the home of Mrs. L. E. McFarland. A profitable session was held.

Two more Maine men from the vicinity of Bangor are here this week looking for cattle for shipment across the border. Unless the farmers go in to stock raising on a larger scale than at the present local prices for meat will go beyond the reach of the ordinary working man. St. John and other large sections will surely be benefited as the supply grows less on account of increased shipments to the States.

Some idea can be formed as to the climatic conditions this fall when it is known that many farmers are still plowing.

Another property transfer is reported from the west side of the river. Henry Ginson having acquired the Day property north of the Little Presque Isle.

Mrs. Field and little son Horace, of Andover, have been spending a few days in St. John.

Mrs. Wm. Spike entertained the ladies of the Andover Book-Club one evening last week.

James Tibbitts, of Andover, has been spending a few days in St. John. Miss Emma Miller of Andover has gone to Boston where she will remain for the winter.

REPRESENTS DOMINION ON COMMISSION

Congressman Augustus P. Gardner Caring For Canada's Interests—New Collector.

(Special Correspondence of The Standard)

Boston, Nov. 22.—Congressman Augustus P. Gardner of Massachusetts is acting as one of the delegates from Canada at the National Conservation Congress at Washington. He is looking after Canadian interests at the request of Hon. J. Douglas Hazen, minister of marine and fisheries. No political or sectional question is involved, as Canadians and Americans of all political parties are agreed on the necessity for conserving the natural resources of both countries.

John McKay of Marlow is a petitioner in the Middlesex County Superior Court at East Cambridge for a divorce from Augusta McKay of New Canada, Lunenburg County, N. S. The McKays were married at West Northfield, Lunenburg county on October 23, 1897. The libellant charges desertion. The case is to be heard in January.

Col. Edmund Billings, the new collector of the Port of Boston, has assumed his new duties, succeeding Edwin U. Curtis. Col. Billings is a native of St. George, N. B. He proposes to reduce the expenses of the port by eliminating politics, graft and unnecessary offices.

As wool will be free shortly, many officials in that department of the customs house will be dropped or transferred. Boston is one of the largest wool centres in the world and the most important in the United States.

The potato trade between New Brunswick and Boston continues brisk. Some shippers have had trouble with frost in transit, but the weather for a week has been favorable. Carleton county, Victoria county, and westernmost county shippers are not feasible at present in the local market.

Much poultry from Prince Edward Island and other maritime provinces sections came to Boston for the Thanksgiving trade. A large percentage of the shipments consisted of live birds.

Inro Dalphine Lacroix, a French Canadian woman, of Biddeford, is a happy woman today. Recently she buried the body of a man supposed to be her son, Archibald, thought to have been killed while trying to board a train at Warren, Mass., on Nov. 14. Now it appears that the son was not killed, but is working in a lumber camp in Lake Nipissing district, Ontario. It is supposed that the man killed was a fellow workman of Lacroix's son, in which was a letter addressed to the Biddeford man. The face of the dead man was so much like that of Lacroix's son that it was impossible to tell. It cost Mrs. Lacroix \$35 to bury the stranger, for whom service was held at the Lacroix parish church.

Among recent deaths of former provincials were the following: In Havre, Captain Benjamin Brown, nephew of Windsor, N. S., in Hyde Park, Nov. 18, Mrs. Mary Anna Jane, wife of Frank A. Hyder, and daughter of Keal R. McKinnon of New Canada, Inverness county, Cape Breton; in Somerville, Nov. 17, Mrs. Susan McKie, widow of Archibald McKie, aged ninety-one, formerly of River John, Pictou, N. S.; in Medford, Mrs. Beattie Thomas, wife of Abington M. Thomas, formerly of St. John; in East Boston, Nov. 16, Mrs. James Steele, formerly Miss Catherine Kelly of St. John; in Cambridge, Mrs. Michael J. Curran, formerly Miss Adelaide Coyne of St. John; in Malden, Nov. 16, Mrs. Margaret Rhodes, wife of Edward Rhodes, formerly of Halifax.

Inquest Unnecessary.

Coroner Kenney has decided that an inquest into the death of Edward Poole is not necessary and that the death was purely accidental. Mr. Poole missed his footing and fell over the wharf at Sand Point, Friday night and was killed.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour. Look at the tongue, mother! If cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless and in a few hours all this constipation, colic, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

KEELS FOR CUP YACHTS.

Bristol, R. I., Nov. 21.—Work on the mold for the lead keel of the New York Yacht Club syndicate's cup defense, a new schooner, was advanced enough today to show that the keel will have a sharper outline than is usual in boats of her class.

The model is twenty-two feet on top and thirteen feet on the bottom. It is four feet high forward. The greatest weight of the keel will be forward of the centre line.

EMPEROR SELLS YACHT.

Berlin, Nov. 21.—The German Emperor today sold his schooner Meteor, with which he has often been victorious in yacht races, to the Duke of Arenberg. A new schooner, the Emperor is being built by Max Oetzel, of Hamburg, and it was said when she was ordered that her success would have an important bearing on the question whether Germany would challenge for the America's Cup with a cutter designed by the same builder.

CONVINCING TO LADIES—This Oven Test!

So that you may use less flour, we do what a home cook would do if she were in our place.

From every shipment of wheat delivered at our mills we take a ten pound sample. We grind this into flour. Bread is baked from the flour. We find that some samples make more bread and better bread than others. So we keep the shipment from which the more and better bread comes. The others we sell.

You save money by using flour that bears this name. And you get better bread.

help For Delinquent Protestant Girls Object of Big Movement—Appoint Committees.

The movement to establish a marriage home for delinquent Protestant girls is gaining headway, and there is an excellent prospect that this much needed institution will soon be established. It is proposed to raise \$20,000 by subscriptions to establish the home, and already about \$5,000 has been raised in Halifax and a canvass of other towns and cities in Nova Scotia is about to begin. The Presbyterian and Methodist churches are taking lead in the movement in that province, but all the Protestant churches are giving hearty support.

A committee has been appointed in St. John and will meet the first of next month to decide what course will be pursued in the canvass here. The committee is composed of Rev. Gordon Dickie, Rev. F. E. Porter, Rev. W. F. Gault, Rev. G. J. Bond, M. O. Crowell, Rev. G. W. F. Glendinning, Rev. J. W. MacMillan, D. D., Rev. Anderson Rogers, Rev. R. W. Ross, and E. L. Thorpe of Halifax; Rev. Dr. Smith of Fredericton and W. F. Whitman of Hanover.

The institution when established will be supported chiefly, it is understood, by grants from the three provinces, and it is expected Newfoundland will also come into the movement.

HERE IS THE SECRET OF LONG LIFE.

While looking forward to health and long life it is possible that you are unaware of the conditions necessary to attain healthful old age. Careful eating and consequent preservation of the health and vitality of the digestive and excretory organs, is of the greatest importance.

Overeating is the usual cause of torpid, sluggish liver action, and when the liver fails additional work is thrown on the kidneys and they break down. Kidney disorders are the great source of suffering in old age. Rheumatism, bodily pains, aching arms and legs, backache and lumbago are the result.

By the use of Dr. Chase's Kidney-Liver Pills to regulate the liver, kidneys and bowels, as reason requires, you not only overcome the suffering, inconvenience and unpleasantness of attacks of biliousness, indigestion and constipation, but you actually prolong life by keeping these organs in good, healthful condition. This medicine is a wonderful source of comfort for people in old age.

Vital Statistics.

A new record was made at Registrar Jones's office last week. The births number 59—males numbering 29 and females 30. Five marriages were reported. During the week seven deaths were recorded.
