MAYOR MARTIN WILL NOT RUN FOR SEAT IN QUEBEC LEGISLATURE

Montreal, May 17.—Mayor Mederic Martin will not run for a seat in the House of Commons, but he intends to be a candidate for re-election to the mayoralty next year. This is what he told a deputation from the Lemieux, Garneau and Taschereau Liberal clubs today, when they asked him to be the Liberal candidate in the St. Mary division, Montreal, in the next general election.

WELSFORD NEWS

Welsford, May 17.—Joseph Scheib, a foreigner, was brought up on the information of C. P. R. Chief Constable Skidmore before Mr. William Howe, J. P., on Friday morning last, charged with damaging C. P. R. property, &c., near Inskillen Station. Mr. D. H. Ryan, assistant superintendent of C. P. R. Sectionmen Dupluis and Arthur McDonald gave evidence. The prisoner was sent up for trial and was conveyed by Constable Woods to Gagetown jail to await the further trial.

The residents of the Headline district are very energetic in their Red Cross work, which was plainly seen by the parcel of socks left at Mr. H. W. Woods' store, which will be sent by express this morning. The parcel contained 100 pairs—16 pairs from Petersville church and the rest from Summerhill. Special mention should be made of the pair knitted by Mrs. Margaret Corbett, who is 82 years of age.

News has been received that Private Heber Howe has been transferred from the 26th Regiment to the Overseas draft of the 55th Regiment now stationed at Sussex. The latter regiment is the one in which his brother James is also.

W. S. Harding, Jr., has taken a farm at Hammond River.

Alden Howe has left for Toronto where he intends practicing machinery. The contractor has commenced work at the Merritt Bridge, Armstrong's Corner. It is understood that the new bridge will be much in advance of the present one.

The carpenters are also busy putting a top on the Bell Bridge.

Was Troubled With Eczema.

Would Nearly Yell With Pain.

BURDOCK BLOOD BITTERS CURED HIM.

Mr. R. J. Swales, Harrison, Ont., writes: "I have been a great sufferer with eczema. I tried all kinds of salves, but they did me no good. Sometimes I would nearly yell with the pain, and would pass little white worms. I was told to get at the blood, so I used four bottles of Burdock Blood Bitters, and it has made a complete cure."

All skin diseases such as eczema or all rheum, itching or burning rashes, sores, pimples, eruptions, ulcers, etc., are caused by the blood becoming impoverished, and while not usually attended with any fatal results, may sooner or later develop into some serious blood trouble, and the entire system become affected.

Burdock Blood Bitters will cleanse the blood of all its impurities and by its action cure all skin and blood troubles. This valuable preparation has been on the market for the last forty years, so you do not make any experiment when you give it a trial.

PIMPLES SO BAD ASHAMED TO GO OUT

Also Terrible Rash on Arms. Itched and Burned. Used Cuticura. Eruption All Disappeared.

Creedy, Ontario.—"For a long time I suffered from pimples and blackheads the worst way and I got a terrible rash on my arms. When I got in bed at night and got warm I would have to scratch my arms till blood came. The pimples all came to matter fester and then they broke leaving little marks on my face. I was ashamed to go out with my friends. They also itched and burned until I could have torn my face and arms. I could not sleep at night and I rubbed my arms till they bled. "I thought I would try the Cuticura Soap and Ointment. I found great relief and in a short time my pimples and eruption all disappeared." (Signed) George W. Key, Aug. 10, 1914.

DORY UPSETS, TWO YARMOUTH MEN DROWN

Aubre Muise and William Smith victims of tragedy — Both leave families.

Special to The Standard.

Yarmouth, N. S., May 17.—A double drowning took place off here some time yesterday when Aubrey Muise and William Smith, two of the employees of the Cotton Mill, lost their lives. They left here at five o'clock yesterday morning for a fishing trip in a dory. They were expected to return last night but did not do so.

This morning the wives of the two men began to get anxious, but at last concluded that as the wind yesterday was northerly they had been blown down to the Tusket Islands and would eventually return all right. However, search was kept up all day and towards evening the dory was picked up about half a mile off Cape Forchu bottom up. The sail had been picked up a little before, all rolled up tight, by having never been unfurled. Both men are married and leave families.
