

PROMINENT MEN TO ATTEND DEDICATION OF BRIDGE TABLET

Exercises will be held at Western End of New Suspension Structure this Afternoon.

Lieut. Gov. Josiah Wood arrived in the city from Backville last night to participate in the dedication of a handsome bronze tablet at the western end of the new suspension bridge at 2.30 o'clock this afternoon. The lieutenant governor will dedicate the tablet and make a short address. The tablet will be commemorative of the old suspension bridge which spanned the St. John river between Douglas Avenue and Fairville. This tablet will be placed between two stones which were taken from the bridge when it was demolished, one bearing the name of William K. Reynolds, the projector, and the other the name of Edward W. Berrell, the builder of the bridge. The structure was opened to the public in 1853 and taken down in 1915.

Those who will take part in the ceremonies will be Lieut. Gov. Wood, Premier Clark, Hon. James A. Murray, Minister of Agriculture, Hon. D. V. Landry, Provincial Secretary, Hon. J. B. M. Baxter, attorney general, Mayor Hayes, Warden McLellan and the president of the New Brunswick Historical Society.

It is expected that the St. John members of the legislature, as well as the members of the New Brunswick Historical Society, will be in attendance.

The 165th Band will be present and provide a programme of music for the occasion.

A. G. Plummer, engraver, has attended to the work of placing the tablet in position.

MARRIAGES.

Allison-Gandy.

Yesterday afternoon Miss Thirza Gandy and Harold Ansel Allison were united in marriage in St. Paul's church by Rev. Canon Daniel, cousin of the bride. The bride was gowned in white silk with beaded panel front and sleeves of Georgette crepe. She wore her mother's wedding veil caught with orange blossoms and carried a bouquet of cream roses and lilies of the valley. She was attended by Miss Muriel Ford. The bridesmaid's costume was of pale yellow and bronze tulle, with large sleeves of green velvet, and she carried a bouquet of bronze and yellow chrysanthemums. Little Miss Zoe Paterson was flower girl. The groom was supported by his brother, Frank Allison, of Montreal.

Lieut. Carroll Cudlip, Lieut. Everett Timmerman, and Deane Gandy acted as ushers, and a choir under the direction of Percy Bourne rendered appropriate music.

The church was tastefully decorated by friends of the bride with chrysanthemums, palms, and aspidochelons. Following the ceremony the newly married couple held a quiet reception at the home of the bride's mother, Mrs. Emma Gandy, 27 Wright street. Mr. and Mrs. Allison left for a trip to United States cities and on their return will reside in a newly finished residence on Wright street. The out of town guests included Mr. and Mrs. George F. Rowe of Bangor.

Coughlin-McLaughlin. At St. George, Charlotte county, yesterday morning Miss Mary Florence, younger daughter of P. McLaughlin, was united in marriage to Edward Robert Coughlin of St. John, with nuptial mass by Rev. Walter Holland.

The bride, who was attended by her sister, Miss Margaret, wore a becoming costume of green broadcloth with hat of maize velvet and black asprey. The groom was supported by his brother, Louis Coughlin. After the ceremony a wedding breakfast was served at the home of the bride, following which Mr. and Mrs. Coughlin left for Montreal, Toronto and other Canadian cities. On their return they will reside in West St. John. The out of town guests included Mr. and Mrs. T. L. Coughlin and Miss Eileen Coughlin, parents and sister of the groom.

Brown-Pearson. A wedding of much interest took place in St. John's church, Highfield, Queens county, on October 17th, at three o'clock, when Rev. C. A. S. Warnerford united in marriage Miss Elsie M. Pearson, second daughter of Mr. and Mrs. John M. Pearson, to Roy Brown of New York, formerly of Scotch Settlement, Kings county. As the bride entered the church on the arm of her father, "The Voice That Breathed Eden," was rendered by the choir.

The bride was becomingly attired in a travelling suit of grey blue, large velvet hat and carried a bouquet of roses. She was attended by Roy M. Pearson and Murray Pearson acted as ushers.

Following the ceremony a reception was held at the home of the bride's parents, after which Mr. and Mrs. Brown left for New York. Many beautiful presents attested to the popularity of the bride, among them being substantial checks from W. H. Thomson Co. and staff, where the bride was a popular stenographer.

MISERABLE FROM STOMACH TROUBLE

Felt Wretched Until He Started To Take "Fruit-a-tives"

594 Champlain St., Montreal. "For two years I was a miserable sufferer from Rheumatism and Stomach Trouble. I had frequent Dizzy Spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints, and my hands swollen."

A friend advised "Fruit-a-tives" and from the outset, they did me good. After the first box, I felt I was getting well and I can truthfully say that "Fruit-a-tives" is the only medicine that helped me."

WORLD'S RECORD WHEAT CROP. In view of various claims of world's record wheat crops for large areas, the Crowfoot Farming Company of Crowfoot, Alberta, submit a sworn statement of their results for the year 1915, which probably surpass all properly authenticated claims from other sources. From 1350 acres the Crowfoot Farming Company received an average yield of 51 bushels, 36 1/2 bushels per acre of number one spring wheat, by actual selling weight; 100 acres wheat averaged 59 1/2 bushels per acre. These records were established in the Canadian Pacific Railway Irrigation Block, in Southern Alberta.

Anonymous Gift. Mayor Hayes received in his mail yesterday a letter which contained the sum of \$10, and an unsigned note to the effect that he was to place it to the credit of any fund which he thought best for the relief of British sailors. He placed it in the funds of the British Sailors' Relief Fund and extends his thanks to the unknown donor.

Tuberculosis Rapidly Increasing Among Children of Belgium and Northern France.

More Food Urgently Needed to Keep up Their Strength

An interview with Mr. W. L. Honnold, American Director of the Belgian Relief Commission, brings to light a new danger threatening the population of the territory occupied by Germany. Mr. Honnold reports that about 5,000,000 wholly or partially destitute people, who have been dependent on the Commission, generally show diminished vitality. The effects are most apparent among the older children, particularly those in the adolescent stage. Among these there is an alarming increase of tuberculosis, due to the lower power of resistance consequent on an inadequate diet.

To overcome this serious danger, the Commission appeals for extra contributions so that a special meal can be served every day in the schools. Efforts are also being made to provide as far as possible for children outside the schools.

This can only be done—Belgium's children can only be saved—if every one of us who can possibly do so will give something toward the fund. Whatever you can afford, send your subscription weekly, monthly or in one lump sum to Local or Provincial Committees, or

CHATEAU LAURIE FINED FOR HAVING LIQUOR ON PREMISES

Only Technical Offense—Police Found Several Thousands of Dollars Worth—

Ottawa, Oct. 18.—The Chateau Laurier was today fined \$200 and costs for a technical breach of the prohibition law in having liquor stored on the premises. On October 7 the police found several thousand dollars worth of liquor locked in the store rooms. It was brought out clearly that no attempt had been made to sell liquor in the hotel, it having been kept locked up pending removal out of the province. License Inspector Enright had been told of this intention and had commented on the understanding that it would be removed "as soon as possible."

Under the circumstances the magistrate decided that as there had been a technical breach of the act he must impose the fine, but the liquor would not be confiscated, nor would the hotel be further molested pending sufficient time to get rid of the liquor.

LADIES! DARKEN YOUR GRAY HAIR

Look years younger! Use Grandmother's recipe of Sage Tea and Sulphur and nobody will know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of Wyeth's Sage and Sulphur Compound, you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

GERMAN SOCIALIST PAPER PUBLISHES AGAIN, BUT MUZZLED

The Hague, Oct. 18, via London.—The Socialist newspaper Vorwaerts of Berlin was published again today after being suppressed for ten days. In a notice to its readers, signed by the directorate of the Social-Democratic party, it states that the Vorwaerts was suppressed by the order of the military commander of Brandenburg on account of an article dealing with the activities of opponents of Chancellor Von Bethmann-Hollweg. When revocation of the order was asked, the newspaper says, the military commander ordered certain changes in the staff of the editorial department so that necessary guarantees might be had that in future the paper would adhere strictly to the assurances given to the authorities shortly after the outbreak of the war.
