"FEEL LIKE NEW BEING" "FRUIT-A-TIVES" Brought the Joy of Health After Two Years' Suffering.

Madam Laplante. "For over two years I was sick and miserable. I suffered from constant headaches, and the palpitation of the heart so badly that I feared I would die. There seemed to be a lump in my stomach and the constipation was so bad that I suffered from pain in the back and kidneys. I was treated by a physician for a year and a half and he did me no good at all. I tried 'Fruit-a-tives' as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no headaches, no palpitation, no heart trouble, no constipation, no pain or kidney trouble and feel like a new being—and it was 'Fruit-a-tives' that gave me back my health."
