THE MONTREAL CONFERENCE

The Montreal Conference statistical secretary reported that 5017 members and adherents of the conference had gone to the front.

Rev. Daniel Mick, Montreal, was appointed assistant secretary, Rev. Joseph Pinel, Danville, statistical secretary, and Rev. G. W. Smith, Mouliette, journal secretary.

Rev. C. J. L. Bates was tendered a very hearty welcome when he presented the report of the church in Japan. He outlined the work he has been engaged on for the past 14 years, laying particular emphasis on the leadership Japan was assuming in military life, political, industrial, agricultural and educational—mentioning the influence exerted in Korea, Mongolia, Manchuria and the Hawaiian Islands and urged that the influence of Christianity in the East in its supreme spiritualistic force be brought to bear on the people of Japan where they had 246 self supporting churches and in Kobe where there were enrolled 1280 students. Mr. Bates spoke of the work he is to take up on his return to Japan next year, when he will assume the leadership of the Central Tabernacle, an institution that ministers to the spiritual needs of the 3500 students of college grade now attending the Imperial University, which the speaker declared was equal in standing to the Yale or Johns Hopkins Universities.

LANARK AND RENFREW PRESBYTERY

A pro-nata meeting of the Presbytery of Lanark and Renfrew was held in St. Andrew's Church here, on Friday last, to receive and deal with certain petitions coming up to the Presbytery from the session and other members of St. Andrew's Church, Renfrew. The meeting was convened at about 11 o'clock by the Moderator, Rev. E. B. Horne, M.A., of Renfrew. After devotional exercises Rev. J. J. Monds was elected moderator pro tem.

The conduct of the moderator and clerk in calling the meeting was sustained, the business to come before Presbytery was outlined. There were two appeals to Presbytery, and two petitions to be considered.

The first appeal, presented by four members of session, was an appeal to Presbytery against the ruling of the moderator of the Session of St. Andrew's Church, Renfrew. At a previous meeting of session to that at which the case came up, Mr. J. H. Walford was dismissed from the session, until such time that he expressed sorrow for his conduct. At a subsequent meeting of session a petition from certain members of the congregation praying to have Mr. Walford re-instated was presented. Inasmuch as it involved a question already dispatched by the session, it was pointed out by the Moderator that it could not come up again in that way, and at that time, as a motion to reconsider a decision of the session cannot be entertained at any subsequent time, unless notice of such motion has been given at a previous sederunt. A motion to reconsider can only be made and seconded by members who voted in the majority. As none of these requirements were fulfilled, the Moderator ruled that the matter could not then come up. Against this ruling the appeal was made. At the meeting of session, the appellants being dissatisfied with the ruling of the chair, wished to appeal to the session against the moderator. The Moderator in this request stated that the question of sustaining the ruling of the chair, was to be referred to Presbytery. In this appeal, the conduct of the Moderator was upheld.

The second appeal was touching the legality, or illegality of the action of the session. The appellants were asking the Presbytery to declare the dismissal of Mr. Walford illegal. The appellants were heard, as well as other members of the session, who upheld the action of the session. The hour for adjournment came before Presbytery had time to deliberate upon the appeal.

This appeal, as well as Mr. Walford's petition to the Presbytery to declare his dismissal null, void and of none effect, will come up for discussion at an adjourned meeting of Presbytery to be held in St. Andrew's Church, Carleton Place, on Tuesday, June 19th, at 10.30 a.m. At that meeting the Presbytery is also asked to take cognizance of all matters relating to the condition of affairs in the session at Renfrew.

Dominion notes of \$1, \$2, \$5 and \$10 denominations will likely be issued to commemorate the fiftieth anniversary of Confederation.

THIN-BLOODED MEN AND WOMEN

Need the Rich, Red Blood Dr. Williams' Pink Pills Actually Make.

Thin-blooded people do not remain so from choice but from indifference, in some cases from despair. People who are languid, with palpitation of the heart, some difficulty in breathing and a tendency to be easily tired are suffering from thin blood. They need only the resolution to take the right treatment and stick to it until cured. The remedy that can be relied upon is Dr. Williams' Pink Pills for Pale People. With every dose they make new blood, and new blood means health and strength. The red cheeks, good appetite, increased weight and strength that follow the use of these pills prove their great value to thin-blooded people. Here is an example: Mrs. J. McDonald, Jr., Hay, Ont., says: "I honestly believe Dr. Williams' Pink Pills saved my life. Some years ago I had anaemia, and as I did not realize the seriousness of the trouble I soon became a complete wreck. I got so weak I could hardly walk. I neither ate nor slept well, and could not go up stairs without stopping to rest. At times I had an almost unbearable pain in my back and would have to remain in bed. I suffered almost constantly from a dull headache, and when sweeping if I would stoop to pick up anything I would get so dizzy that I would have to catch hold of something to keep from falling. At times my heart would beat so fast that I would have a smothering sensation. My eyes were sunken and my hands and limbs would be swollen in the mornings. I tried several kinds of medicine without benefit and my friends thought I would not recover. Then I began taking Dr. Williams' Pink Pills, and before long could see and feel that they were helping me. I gladly continued the use of the pills until I was completely cured and I cannot say enough in their praise, and I strongly recommend them to all run down girls and women."

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.
