When you buy a Fence

would you not like to know it is to be permanent?

The Dillon Fence is permanent—lasts a life-time and does not demand your continuous attention. The lateral wires are coiled, and where connected with the up-rights are fastened together with the **Dillon Patent Hinge**, which absolutely prevents bending, rusting and slipping of stays, three annoyances which every farmer, before the advent of the **Dillon Hinge-Stay Fence**, has had to contend with. The extra quality of the wire used in the **Dillon** is most important. Every buyer of fence wants to know that he is getting the "best". **Dillon Fence** buyers have our guarantee. There are many grades of steel wire, but we cannot afford to use any but the best. Can you? Write to-day for our illustrated booklet and estimates.
