

- 85.** The Commissioner of Patents shall not register any designs unless he is furnished, in respect of each application, with duplicate drawings of such design, accompanied with the name of the person who shall claim as proprietor, with his place of abode, or place of carrying on business, or other place of address, and the number and class in respect of which the registration is made; he must register all such drawings in the order in which they are received, and on every such drawing affix a number corresponding to such succession. He shall retain and file one drawing, and return the other to him from whom he received it; he shall also class such drawings, and keep an index of them. The size of the sheet on which such drawings shall be made shall not exceed 24 inches by 12 inches; blank space 6 inches by 4 inches, for the Commissioner's certificate: the print or drawings to be on a proper geometric scale, and the parts of the design which are not new shall be set forth.
- 86.** On the copy returned to the person registering, the Commissioner shall certify under the seal of the Patent Bureau that the design has been registered, the date of registration, the name of the registered proprietor, his address, the number of such design, and the number or letter employed to denote or correspond with the registration, which said certificate, in the absence of proof to the contrary, shall be sufficient proof of the design, of the name of the proprietor, of the registration, of the commencement and period of registry of the person named as proprietor being proprietor, of the originality of the design, and of compliance with the provisions of the act; and the writing shall be received as evidence without proof of the signature of the Commissioner, or of the seal of the Bureau.
- 87.** Copies of the index of the titles of the designs and copies of expired copyrights, shall be forwarded with the least possible delay from time to time to the Boards of Arts and Manufactures of the Province respectively.
- 88.** Any person may, on payment of the appointed fee, inspect any design whereof the copyright shall have expired, but no inspection of any unexpired copyright shall be allowed unless by the proprietor of the design. The Commissioner shall, however, on receipt of the fee hereinafter provided, give a certificate to any person producing a design having thereon the registration mark, or producing the registration mark only, stating in such certificate whether any copyright of such design exists, to what particular manufacture such copyright applies, the term of the copyright, the date of the registration, and the name and address of the registered proprietor.
- 89.** The Commissioner shall have power to refuse to register such designs as do not appear to him to be within the provisions of this Act, as of a thing not intended to be applied to an article of manufacture, but only as a wrapper, label or covering, in which an article might be exposed for sale, or when the design is contrary to public morality or order, subject however to the same appeal as is provided for decisions on applications for Patents of Inventions.
- 90.** The Commissioner shall, from time to time, cause to be published in the *Canada Gazette* the titles of the designs registered, and the names and places of abode of the registered proprietors.
