

*Issues related to sports festivals-topic for SAPHER conference*

The Students' Association for Health, Physical Education and Recreation (SAPHER) will host a Western Canadian Physical Education Conference to be held at the University, October 30, 31 and November 1. This conference is held annually at different campuses across western Canada, and is open to students, staff and the general public.

The intent of such a conference is to bring together physical education students so that they may have the oppor-

tunity to discuss issues and questions of common interest and importance that will have implications not only for them as professional physical educators but for the general public as well.

At this year's conference, SAPHER has chosen to discuss issues related to Sports Festivals. This topic is especially relevant insofar as Canada will be hosting both the 1976 Olympics and the 1978 Commonwealth Games.

Guest Speakers at the con-

ference will include M.L. Van Vliet, Dean of the Faculty of Physical Education and Chairman of the 1978 Commonwealth Games; R.G. Glassford, Chairman of the Department of Physical Education; Tom Bedicki, Director of Sport Canada; Gus McFarlane, Liberal MP from Hamilton who has been involved actively in sports for the past thirty years; M. McMurty, former Calgary Stampeder and Professor of Philosophy at the University of Guelph, and R. Kriegel, former sports director at the Esalen Institute in California, who is presently engaged in working on alternatives to traditional physical education programs.

The speakers display a wide range of views and opinions on sports and physical education, and should provide a lively and interesting discussion.

A number of social functions have also been planned for the conference. There is a wine and cheese social on

Thursday, October 30 at the Macdonald Hotel from 8 p.m. till 11 p.m.; a dinner and social at the Polish Hall on Friday, October 31 from 8 p.m. until 1 a.m.; and a banquet at the Chateau Lacombe on Saturday,

November 1 at 6 p.m.

More information about the conference may be obtained by contacting Joe Daniel or Vicki Demkiw at the Faculty of Physical Education, or by phoning 433-7223 or 434-0673.

**Postal solutions for U of A mail**

For many students and staff of this university the postal strike has created some problems. It has also led to some solutions.

At present any mail addressed to an office or department on campus should use the off-hours mail slot located in the south-east door of the Administration Building. This mail will be collected and distributed daily but please note: not parcels.

And hundreds of students awaiting their student loan certificates needn't despair, the Student Finance Board announced today.

The Board has made arrangements to forward the loan certificates by special courier to educational institutions throughout the province. Students expecting loans can pick them up at the Students' Awards of the Registrar's office.

Meanwhile, the Student Finance Board is working on further arrangements with other provinces to have student loans

provided to residents of those provinces who are attending university in Alberta. They will be forwarded to the Education office.

U of A student receiving Alberta Vocational Training cheques can pick them up in the Administration Building on the third floor at the fees cage.

**TRANSLATORS  
REQUIRED**

A limited number of individuals who have facility in the use of sign language of the deaf are required in order to act as translators for students with hearing deficiencies. Hourly rates will be paid for services provided.

If interested, please contact the Student Counselling Services, Fifth Floor SUB in person or by telephoning 432-5205.
